Kane County Employee Recognition  
Luncheon  
July 10, 2007

***Recognition Awards***

**Julie Klimowski, Administrative Assistant  
State's Attorney's Office  
Above and Beyond Award**

Julie Klimowski is always willing to help where needed. She currently has duties in reception, collections, handles walk-ins and is a back up for Second Chance and VOPS. When scheduling her time off she always puts the office needs first and has changed her time off, on her own, to accommodate a shortage or increased work load.
