Kane County Employee Recognition
Luncheon
July 10, 2007

Recognition Awards

Robert Shive
Network & Telephone System Manager
Kane County Department of Information Technologies
Outstanding Service Award

Robert Shive has worked for Kane County Information Technology department since 1999. Over the last year Robert has taken on the responsibility of Network & Telephone System Manager. Robert took the County from using Consultants to managing the systems in house. Robert also manages the Firewall & Security Systems for the County. Robert has been one key to the success of the ITD not having to rely on outside help.
