

The Kane County Stormwater Management Ordinance is currently being updated. During this process, it was brought to our attention that several updates to the Ordinance were not reflected in the pdf versions of the Ordinance online. Please refer to the [Codified version of the Ordinance](http://www.sterlingcodifiers.com/codebook/index.php?book_id=973) (http://www.sterlingcodifiers.com/codebook/index.php?book_id=973) that can be found in Chapter 9 of the County Code. An updated pdf version of the Ordinance will be available once the updates are approved by the County Board. Thank you for your patience.
