The exact amount of the increase will not be known until the taxes are extended, which normally takes place during the month of February. The Resolution for the General Fund Property Tax Levy provides for an increase up to \$700,000 in the aggregate property tax levy, and directs the Director of Finance to adjust the General Fund property tax levy at the time of tax extension so that the percentage increase in aggregate County property tax is as close to being equal to the percentage increase in EAV attributable to new construction as possible, without the total amount of the aggregate property tax increase exceeding \$700,000.</p>

The exact amount of the increase will not be known until the taxes are extended, which normally takes place during the month of February. The Resolution for the General Fund Property Tax Levy provides for an increase up to \$700,000 in the aggregate property tax levy, and directs the Director of Finance to adjust the General Fund property tax levy at the time of tax extension so that the percentage increase in aggregate County property tax is as close to being equal to the percentage increase in EAV attributable to new construction as possible, without the total amount of the aggregate property tax increase exceeding \$700,000.</p>

STATE OF ILLINOIS

COUNTY OF KANE

RESOLUTION NO. 18 - 406

ADOPTING A TAX LEVY FOR THE GENERAL FUND

WHEREAS, it is the intent of the County Board to achieve approximately the same percentage increase in the aggregate property tax levy over the prior year aggregate property tax levy as the percentage increase in rate setting EAV attributable to new construction and expiring Tax Increment Financing Districts and that this increase be captured fully in the General Fund Property Tax Levy; and

WHEREAS, the exact increase in rate setting EAV will not be available until after the deadline for the County to establish the property tax levy; and

WHEREAS, \$700,000 is considered a reasonable maximum estimate of the increase in property tax attributable to new construction and expiring Tax Increment Financing Districts; and

WHEREAS, it is permitted for the property tax levy rate to be adjusted downward at the time the levy is extended.

NOW, THEREFORE, BE IT RESOLVED by the County Board of the County of Kane, State of Illinois, at this adjourned session of the November meeting of said County Board, held at the Government Center in Geneva, Kane County, Illinois that there be and there is hereby levied upon all taxable property within the County of Kane, the sum of:

THIRTY-FOUR MILLION NINE HUNDRED FORTY-THREE THOUSAND NINE HUNDRED FIFTY-NINE DOLLARS (\$34,943,959)

This levy amount includes an increase of \$700,000 over the prior year aggregate property tax levy corresponding to an estimated maximum increase in rate setting EAV attributable to new construction and an expiring Tax Increment Financing District.

NOW THEREFORE BE IT FURTHER RESOLVED that the Executive Director of Finance is directed to adjust the property tax levy rate downward at the time the levy is extended so as to achieve a percentage increase in aggregate property tax levy over the prior year aggregate tax levy as close as possible to the percentage increase in rate setting EAV attributable to new construction and expiring Tax Increment Financing Districts without exceeding the percentage increase in rate setting EAV attributable to new construction and expiring Tax Increment Financing Districts.

NOW THEREFORE BE IT FURTHER RESOLVED that the final levy as adjusted shall be spent for the objects and purposes as set forth in detail in the GENERAL FUND Budget of the County of Kane, State of Illinois for the fiscal period beginning December 1, 2018 and ending November 30, 2019.

ORDINANCE NO. 18 - 419

AMENDING ORDINANCE 11-400 ESTABLISHING THE KANE COUNTY JUDICIAL AND PUBLIC SAFETY STRATEGIC PLANNING AND TECHNOLOGY COMMISSION

WHEREAS, the Illinois Open Meetings Act (5 ILCS 120) permits members of a public body to attend public meetings via video or audio conference; and

NOW, THEREFORE, BE IT ORDAINED by the Kane County Board that the following Section 12 be added to Ordinance 11-400 establishing the Kane County Judicial and Public Safety Strategic Planning and Technology Commission (as also amended by Ordinances 13-237, 14-12 and 14-168):

Section 1: The County of Kane ("County") hereby establishes the Kane County Judicial and Public Safety Strategic Planning and Technology Commission ("Commission"). Section 2: The Commission shall be composed of the following Members:

- i. The County Board Chair
- ii. The County Board Public Safety Chair
- iii. The County Board Finance Chair
- iv. Three County Board Members, appointed by the County Board Chair
- iv. Five Members from the Public at Large, one of whom shall be a licensed attorney practicing in Kane County, appointed by the County Board Chair
- v. The County State's Attorney

- vii. The Chief Judge of the Sixteenth Judicial Circuit
- viii. Two judges presiding in the Sixteenth Judicial Circuit, appointed by the Chief Judge
- ix. The County Sheriff
- x. The Circuit Clerk
- xi. A Member from the Kane County Bar Association, appointed jointly by the County Board Chair and the Chief Judge.

The Chair of the Commission shall be elected from among the Members by a majority vote. The term of Chairman shall commence on December 1st of any year a Chair is elected. The term of Chairmanship shall be for two years. The Commission Chair shall designate a Vice-Chair whom shall serve as Chair in case of the unavailability of the Commission Chair.

Section 3. The Commission shall make decisions for the County regarding capital purchases in technology for the judiciary and public safety departments of the County. These departments shall include but are not limited to the Judiciary, the State's Attorney's Office, the Public Defender's Office, the Sheriff's Office, and the Circuit Clerk's Office.

Section 4. The Commission shall, upon receipt of a report developed by the firm of URL Integration outlining proposed standards and budgets for the acquisition of a new Case Management Systems (CMSs) for the Circuit Clerk, Judiciary, State's Attorney and Public Defender for judicial and public safety departments of the County, propose a budget for the development and purchase of new CMSs. Thereafter, the Commission shall forward its proposed CMS budget to the County Board for approval. If the proposed budget is acceptable to the County Board, the County Board shall pass a resolution formally approving the budget for the CMSs, and establishing the method by which the budget shall be funded, the source of such funds, and the allocation of such funds between County departments ("CMS Process Resolution"). The budget so proposed and approved shall include both a proposed CMS budget, and a sub-budget for each department that shall seek to participate in CMS acquisition and integration.

Section 5. In addition to proposing budgets for the development and purchase of new CMSs, any time the County wishes to expend funds to be used for capital technology, the Commission shall make recommendations to the County Board regarding that capital technology, and regarding the selection of consultants for capital technology purposes.

Section 6. Upon the County Board's adoption of the CMS Process Resolution, any office holder or department head, in consultation with the Chief Judge of the Sixteenth Judicial Circuit ("Chief Judge"), the Circuit Clerk, and the Kane County Information Technology Director ("IT Director"), shall be responsible for writing a Request for Proposals ("RFP") for that department or office holder's office, which RFP shall be consistent with the URL report and the budget approved by the County Board. Once completed, the CMS RFP shall be submitted to the Commission for review and approval. If a CMS RFP is approved by the Commission, the CMS RFP shall be formally issued by the County Purchasing Department to solicit responses. The CMS RFP shall be subject to all applicable County purchasing regulations and ordinances not in contradiction with the Settlement Agreement.

Section 7. Any responses to a department's CMS RFP shall be submitted to the department head or office holder, the Circuit Clerk, the Chief Judge, and the IT Director. Any responses to a CMS RFP shall also be submitted to any of the following not already given the responses, for information purposes: the Kane County State's Attorney, the Kane County Public Defender, the Kane County Court Services Director, the Kane County Sheriff, and to the chairperson of the Commission. The department head, the Circuit Clerk, the Chief Judge and the IT Director shall jointly make a recommendation to the Commission as to the respondent of the department's CMS RFP which they believe should be selected as the approved vendor, within the confines of the approved budget (or any amendment thereto). In formulating a recommendation, these parties will also consult with any of the following parties not already among them, who will serve in an advisory role, with no decision making authority: the Kane County State's Attorney, the Kane County Public Defender, the Kane County Court Services Director, and the Kane County Sheriff. At any time prior to the Commission's approval of the recommended respondent, the department head may meet with any respondent to the department's CMS RFP for purposes of discussing, detailing or negotiating any of the terms of any submitted response to the departments CMS RFP. At all stages from RFP development to selection of the CMS, the department head and Chief Judge will retain approval over the CMS and any other systems applicable to the department's office.

Section 8. The Commission shall review the recommendation of the department head, the Circuit Clerk, the Chief Judge, and IT Director as to which respondent to the department's CMS RFP should be selected, and shall approve or reject the recommendation. The Commission shall not have the authority to recommend approval of an alternate respondent. If the Commission determines to approve of the RFP/respondent selected by the department head, Circuit Clerk, Chief Judge and IT Director, the Commission shall do so by formal motion, and shall forward that recommendation to the County Board. The County Board shall thereafter consider the recommendation and, if it determines that it is appropriate to do so, shall undertake such action as shall be necessary to approve of the selected RFP/respondent, to fund out of the aforementioned budget and to implement the department's CMS project. If the County Board fails to approve the recommendation of the Commission, no CMS acquisition shall be undertaken as a component of this process.

Section 9. The Commission shall evaluate the CMS needs of each department on a case-by-case basis. Should the County Board, by passage of an appropriate resolution, approve a budget for a change to the CMS of any County department, then for each such department, the process outlined above shall generally be followed.

Section 10. The Commission shall evaluate the long-term steps necessary for the efficient centralization of Kane County government services on the Judicial Center Campus, and advise the Kane County Board regarding the steps necessary to effectuate the future build-out of the Judicial Center Campus, Third Street Courthouse, and the Kane Branch Court Building.

Section 11. The Commission shall be renamed to the Kane County Judicial and Public Safety Strategic Planning and Technology Commission.

Section 12. The Commission hereby adopts the Governing Electronic Attendance at Meetings to permit any member of the Commission to attend any of its meetings via electronic means as follows:

In accordance with the provisions of 5 ILCS 120/7, a member of the Judicial Public Safety Strategic Planning and Technology Commission may attend a Commission meeting by video or audio conference, or other remote participation using electronic contemporaneous interactive communication, provided:

3. Members should use all means necessary to be physically present for all meetings.
4. The Commission may revoke the right to attend a meeting by remote electronic participation if a member is abusing or frequently not attending meetings in person.
5. When a member of the Commission is attending a meeting electronically, the Recording Secretary shall announce to the public that the member is present electronically and has notified the Recording Secretary in accordance with this policy, unless a motion objecting to the member's electronic attendance is made, seconded, and approved by a majority of the Commission physically present at the meeting. If no such motion is made and seconded, or if any such motion fails to

achieve the required vote by members of the Commission physically present at the meeting, then the request by the member to attend the meeting electronically shall be deemed approved and the requesting member noted as being electronically present.

6. Any member attending electronically shall be counted as present and the minutes shall reflect that a member was attending by remote electronic participation.
7. The electronic equipment used for remote participation shall be of such quality that the members present and the public shall be able to hear the comments of the member participating.
8. The member attending electronically shall have the same rights to participate in discussions and vote as if the member were physically present. A member attending electronically may leave a meeting and return as in the case of any member, provided the member attending electronically shall announce his or her leaving and returning.

Approving the 2019 Purchase of Ice Control Salt, Kane County Division of Transportation Maintenance Department

Committee Flow: Transportation Committee, Executive Committee, County Board

Contact: Tom Rickert, (630) 406-7305

Budget Information:

Was this item budgeted? Yes	Appropriation Amount: \$919,620.00
If not budgeted, explain funding source: N/A	

Summary:

FY2019 Purchase of Ice Control Salt

For the 2018-2019 winter season, the Division of Transportation will be using salt for snow and ice removal on the County Highway System. Staff estimates that we will use approximately 10,000 tons of salt.

KDOT will purchase our salt from the State bid. Our contract amount is for 9000 tons. The state bid contract will allow us to purchase 80%-120% of our contract. The vendor is Cargill Salt and the salt contract allows for a minimum purchase of 7,200 tons and a maximum purchase of 10,800 tons of salt.

FY19 cost per ton is \$62.05 per ton and the chemical application (enhanced) to the salt will be \$23.10 per ton for a total of \$85.15 per ton. The proposed FY2019 Budget for salt is based upon previous year expenditures, amount on hand, and the limits of the contract. The appropriation requested is based on the maximum purchase of 10,800 tons of salt.

Last year salt pricing was \$45.22 per ton and the chemical application (enhanced) was \$15.50 per ton for a total of \$60.72 per ton.

A small increase was expected because of higher salt usage by some of our neighboring states. The unexpected increase, we are told, came from worker or labor issues from one or two major vendors causing delays or problems replenishing stock piles.

Summary:

The Kane County Division of Transportation is preparing to let a project to construct Federal HSIP-funded safety improvements on north Randall Road. The work will include traffic signal improvements, driver feedback signs, modified pavement marking and signing, and flashing warning beacons as designed by Hanson Professional Services. Within the limits of this work, a separate project, Adaptive Signal Control, was initiated to improve signal performance. As the two designs proceeded separately, it became apparent that consolidating them in one set of construction plans would lessen coordination issues with contractors and the public. Hanson incorporated the Adaptive Signal Control plans into the larger HSIP work. This effort was not in Hanson's original scope of work and requires a supplement.
