Summary:

The County's bond counsel (Chapman & Cutler) has advised that the County adopt a formal Post Debt Issuance Compliance Policy ("Post Issuance Compliance Policy") so as to ensure that the County will be in compliance with the various requirements of the bond ordinances, bond indentures and tax agreements associated with each of the County's bond issues, as well as with federal regulations and disclosure requirements. This "Post Debt Issuance Compliance Policy" was drafted by the County's bond counsel (Chapman & Cutler).

STATE OF ILLINOIS

COUNTY OF KANE

RESOLUTION NO. 19 - 11

ADOPTING POST DEBT ISSUANCE COMPLIANCE POLICY

WHEREAS, It is necessary and in the best interest of The County of Kane, Illinois (the "County"), to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the Bonds and other debt obligations of the County, the interest on which is excludable from "gross income" for federal income tax purposes or which enable the County or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds (including the Bonds, the "Tax Advantaged Obligations"); and

WHEREAS, it is necessary and in the best interest of the County that the Compliance Officer (as hereinafter defined) at least annually review the County's Contracts (as hereinafter defined) to determine whether the Tax Advantaged Obligations comply with the federal tax requirements applicable to each issue of the Tax Advantaged Obligations.

NOW, THEREFORE, BE IT RESOLVED by the Kane County Board that the following Post Debt Issuance Compliance Policy as drafted by the County's bond counsel Chapman & Cutler be adopted, and that the County's Financial Policies be amended to add this newly adopted Post Debt Issuance Compliance policy as section number 15 of the Financial Policies.

15. Post Debt Issuance Compliance Policy

(a) *Compliance Officer Is Responsible for Records.* The Executive Director of Finance of the County (the "Compliance Officer") is hereby designated as the keeper of all records of the County with respect to each issue of the Tax Advantaged Obligations, and such officer shall report to the County Board at least annually that he/she has all of the required records in his/her possession, or is taking appropriate action to obtain or recover such records.

(b) *Closing Transcripts.* For each issue of Tax Advantaged Obligations, the Compliance Officer shall receive, and shall keep and maintain, a true, correct and complete counterpart of each and every document and agreement delivered in connection with the issuance of the Tax Advantaged Obligations, including without limitation (i) the proceedings of the County authorizing the Tax Advantaged Obligations, (ii) any offering document with respect to the offer and sale of the Tax Advantaged Obligations, (iii) any legal opinions with respect to the Tax Advantaged Obligations delivered by any lawyers, and (iv) all written representations of any person delivered in connection with the issuance and initial sale of the Tax Advantaged Obligations.

(c) *Arbitrage Rebate Liability.* The Compliance Officer shall review the agreements of the County with respect to each issue of Tax Advantaged Obligations and shall prepare a report for the County Board stating whether or not the County has any rebate liability to the United States Treasury, and setting forth any applicable exemptions that each issue of Tax Advantaged Obligations may have from rebate liability. Such report shall be updated annually and delivered to the County Board.

(d) *Recommended Records.* The Compliance Officer shall review the records related to each issue of Tax Advantaged Obligations and shall determine what requirements the County must meet in order to maintain the tax-exemption of interest paid on its Tax Advantaged Obligations, its entitlement to direct payments by the United States Treasury of the applicable percentages of each interest payment due and owing on its Tax Advantaged Obligations, and applicable tax credits or other tax benefits arising from its Tax Advantaged Obligations. The Compliance Officer shall then prepare a list of the contracts, requisitions, invoices, receipts and other information that may be needed in order to establish that the interest paid on the Tax Advantaged Obligations is entitled to be excluded from "gross income" for federal income tax purposes, that the County is entitled to receive from the United States Treasury direct payments of the applicable percentages of interest payments coming due and owing on its Tax Advantaged Obligations, and the entitlement of holders of any Tax Advantaged Obligations to any tax credits or other tax benefits, respectively. Notwithstanding any other policy of the County, such retained records shall be kept for as long as the Tax Advantaged Obligations relating to such records (and any obligations issued to refund the Tax Advantaged Obligations) are outstanding, plus three years, and shall at least include:

(i) complete copies of the transcripts delivered when any issue of Tax Advantaged Obligations is initially issued and sold;

(ii) copies of account statements showing the disbursements of all Tax Advantaged Obligation proceeds for their intended purposes, and records showing the assets and other property financed by such disbursements;

(iv) copies of all bid requests and bid responses used in the acquisition of any special investments used for the proceeds of any issue of Tax Advantaged Obligations, including any swaps, swaptions, or other financial derivatives entered into in order to establish that such instruments were purchased at *fair market value*;

(v) copies of any subscriptions to the United States Treasury for the purchase of State and Local Government Series (SLGS) obligations;

(vi) any calculations of liability for *arbitrage rebate* that is or may become due with respect to any issue of Tax Advantaged Obligations, and any calculations prepared to show that no arbitrage rebate is due, together, if applicable, with account statements or cancelled checks showing the payment of any rebate amounts to the United States Treasury together with any applicable IRS Form 8038-T; and

(vii) copies of all contracts and agreements of the County, including any leases (the “*Contracts*”), with respect to the use of any property owned by the County and acquired, constructed or otherwise financed or refinanced with the proceeds of the Tax Advantaged Obligations effective at any time when such Tax Advantaged Obligations are, will or have been outstanding. Copies of contracts covering no more than 50 days of use and contracts related to County employees need not be retained.

(f) *Annual Review.* The Compliance Officer shall conduct an annual review of the Contracts and other records to determine for each issue of Tax Advantaged Obligations then outstanding whether each such issue complies with the federal tax requirements applicable to such issue, including restrictions on private business use, private payments and private loans. To the extent that any violations or potential violations of federal tax requirements are discovered incidental to such review, the Compliance Officer may make recommendations or take such actions as the Compliance Officer shall reasonably deem necessary to assure the timely correction of such violations or potential violations through remedial actions described in the United States Treasury Regulations, or the Tax Exempt Bonds Voluntary Closing Agreement Program described in Treasury Notice 2008-31 or similar program instituted by the IRS.

(g) *Training.* The Compliance Officer shall undertake to maintain reasonable levels of knowledge concerning the rules related to tax-exempt bonds (and build America bonds and tax credit bonds to the extent the County has outstanding build America bonds or tax-credit bonds) so that such officer may fulfill the duties described in this Policy. The Compliance Officer may consult with counsel, attend conferences and presentations of trade groups, read materials posted on various web sites, including the web site of the Tax Exempt Bond function of the IRS, and use other means to maintain such knowledge. Recognizing that the Compliance Officer may not be fully knowledgeable in this area, the Compliance Officer may consult with outside counsel, consultants and experts to assist him or her in exercising his or her duties hereunder.

The Compliance Officer will endeavor to make sure that the County's staff is aware of the need for continuing compliance. The Compliance Officer will provide copies of applicable tax documents for each series of Tax Advantaged Obligations then currently outstanding (the "Tax Agreements") to staff members who may be responsible for taking actions described in such documents. The Compliance Officer should assist in the education of any new Compliance Officer and the transition of the duties under these procedures. The Compliance Officer will review this Policy and each of the Tax Agreements periodically to determine if there are portions that need further explanation and, if so, will attempt to obtain such explanation from counsel or from other experts, consultants or staff.

(h) *Amendment and Waiver.* The procedures described in this Policy are only for the benefit of the County. No other person (including an owner of a Tax Advantaged Obligation) may rely on the procedures included in this Policy. The County may amend this Policy and any provision of this Policy may be waived, without the consent of the holders of any Tax Advantaged Obligations. Additional procedures may be required for Tax Advantaged Obligations the proceeds of which are used for purposes other than capital governmentally owned projects or refundings of such, including tax increment financing bonds, bonds financing output facilities, bonds financing working capital, or private activity bonds. The County also recognizes that these procedures may need to be revised in the event the County enters into any derivative products with respect to its Tax Advantaged Obligations.

Budget Information:

Was this item budgeted? Yes	Appropriation Amount: \$50,356.20

Summary:

The Purchasing Department publicly bid the AC system replacement for Kane County Division of Transportation.

This contract is for the complete replacement of the AC system for the Kane County Division of Transportation building A. The current AC system has reached the end of its useful life and has become in-efficient and unreliable. Parts and components including compressors and refrigerant is no longer available for the current system.

KDOT evaluated all bids per specifications and contract requirements and determined that Jensen's Plumbing and Heating of Woodstock, IL was the lowest responsive, responsible bidder for the amount of \$43,788.00. This is a prevailing wage project.

There is a considerable amount of customizing needed to complete the project due to original design and location of certain components that will be replaced. There are also some unknown factors involved that cannot be determined until the disassembly process begins. It is possible that extra masonry and sheet metal work may be required to carry out the replacement of certain components. KDOT requests that a 15% contingency amount of \$6,568.20 be included in the approval to cover any possible unknown costs throughout the project.
