November 5, 2009

### **PRESS RELEASE**

Beginning on Monday, November 9, weather permitting, the Kane County Division of Transportation will be conducting a geotechnical investigation at Keslinger Road, west of Bunker Road, in anticipation of a bridge replacement. The work will require a single lane closure, with traffic control provided by flaggers. The work is expected to take at least two days. Motorists should anticipate minor delays.

Any question or concern about the work should be addressed to Mike Zakosek at 630-584-1170.

Project Area

La Fox
