

March 7, 2008

PRESS RELEASE

Work will occur in the center median of Fabyan Parkway east of Mill Creek Drive from Wednesday, March 12, 2008 through Tuesday, March 18, 2008, weather permitting. The median closure will allow crews to conduct a maintenance operation on the bridge. Please exercise caution while driving through the construction zone and watch for vehicles entering and exiting the site. Please anticipate possible increased travel times.

Concerns about the project should be addressed to David Boesch at 630-845-7875.
