**PRESS RELEASE**  
**Lane Closures**  
**Revised**

Traffic will be reduced to one lane for bridge inspections on Randall Road over the Union Pacific Railroad and Tyler Creek Bridge south of Big Timber Road (Claude Hanson Bridge) and on Kirk Road over the Union Pacific Railroad south of IL 38 Wednesday, March 26<sup>th</sup>, 2008, weather permitting.

Please anticipate **greatly increased travel times** and exercise caution while traveling through the construction zone both for your own safety and the safety of the crews working on this important project. The use of alternate routes is recommended.

Concerns about the project should be addressed to Mike Zakosek at 630-584-1170.
