

FREE COMPOST GIVEAWAY

Saturday, April 21st, 2018; 11am – 3pm

Bring a shovel, along with your wheel barrow, buckets, bags, or trucks to fill up on this free compost for your gardens!

What: Free finished compost for your garden beds

Where: The Circle in Village Center on N. Mill Creek Drive

When: Saturday, April 21st, 2018 from 11am to 3pm

Why: Mill Creek residents have been composting food scraps in the yard waste carts since May of 2017. The material is collected from the curb by Advanced Disposal and transported to Compost Supply for processing, where it is turned into food-scrap amended compost, a nutrient rich soil amendment that your gardens will love. Kane County is pleased to provide residents of Mill Creek with this free giveaway of the compost you helped to create! Come and get it!

Close the loop and grow super veggies with this awesome compost!

Compost your food scraps in your curbside organics cart! Did you know that you can place food scraps in your yard waste cart to ride along to the compost facility? You must have a yard waste cart to participate. The 3 cart option (recycling, trash, organics) only costs \$2.68/month (\$32.16/ year) more than the 2 cart option (recycling & trash only with bags and stickers for yard waste). A yard waste or organics cart fits two bags worth of material in it and you do not have to buy bags or stickers. Stickers cost \$2.92 each, so you'll SAVE MONEY by using the cart – AND you can compost your food scraps too! For more information on your curbside food scrap composting program available through your service with Advanced Disposal, please call 630-587-8282. Note: Yard waste carts are serviced seasonally April through November of each year. They are not collected December through March.

For questions about this Compost Giveaway event please contact:

Jennifer Jarland, Kane County Recycling Coordinator at recycle@countyofkane.org or 630-208-3841.
