How It Works

Donate: Homeowners and contractors can donate surplus items (tax deductible), reducing the amount of building materials that would otherwise go to landfills. Call first before delivering items that may not be acceptable.

Purchase: This center sells surplus or gently used building materials at significant savings to the general public. Proceeds from sales support the mission of the organization.

Why? Kane County produces more than 80,000 tons of construction waste each year. This program now provides an alternative to disposal.

Acceptable Materials:

Cabinets: new and used, with all parts, and not damaged

Plumbing: usable fixtures, parts, supplies

Electrical: usable fixtures, parts, supplies

Windows: complete units

Doors: (no broken glass)

Flooring: wood, ceramic, vinyl, carpet (new only)

Lumber: at least 6' in length

Millwork/Trim: wood casing and base, vinyl base

Hardware: knobs, hinges, locks, cabinet pulls, nails, nuts, bolts, screws

- Used toilets or tub surrounds
- Paint, stain, or varnish
- Blinds or wallpaper
