**ADDENDUM 1**

**Invitation to Bid: #01-021**

**Title: Mill Creek Retention Wall/Landscape Project**

The attention of all plan holders is called to the following questions received before the deadline of December 9, 2020. Responses are in **Bold**.

1. It is required to supply a payroll record for the employees that could potentially be working this project, based on the paperwork. Most of my employee crew is brought in through the H-2B Visa program. They are scheduled to arrive the first week of April. Would I be able to put them down for the payroll record? **The requirement is for bidders to include with their bid a separate sheet showing trades to be employed and wage rates to be paid. You do not have to list the individual employee, only the trade and their hourly rate.**
2. Is this an all union job? **This job requires that all employees be paid the prevailing wage as stated on the IDOL web site for their job description for Kane County. Effective 09/01/20, to receive payment for work conducted for Kane County, contractors must provide the e-mail certification received from their IDOL submittal and any subcontractors working on this project with each of their pay requests. It is not required that they belong to a union only that they pay the prevailing wage.**

Please acknowledge receipt of this addendum in the space provided on Page 2 (Offer to Contract Form) of the Bid document. Thank you for your interest in the Kane County procurement process.

Sincerely,

*Maria C. Calamia*
