ADDENDUM 1

Invitation to Bid: #07-020

Title: Turf Fertilization/Weed Control Services – Mill Creek SSA

The attention of all plan holders is called to the following question received before the deadline of January 30, 2020. Answer follows the question below in ***bold***:

1. I am unclear on the total amount of area to be treated. Do we treat all of the colored area on the map, just blue? Some colors and not others? Do you have any approximate square footage of turf to be treated and not total subdivision square footage? ***The statement of work indicates the areas of the applications fall within the Mill Creek SSA totaling approximately 75 acres. The 75 acres converts to 3,267,000 square feet that is to be treated. All areas highlighted in green and blue, on the map (exhibit A), are to be treated.***

Please acknowledge receipt of this addendum in the space provided on Page 13 (Offer to Contract Form) of the bid document. Thank you for your interest in the Kane County procurement process.

Sincerely,

Maria C. Calamia

Maria C. Calamia, CPPB
