The undersigned agrees to furnish any or all of the above materials upon which prices are quoted, at the above quoted prices, subject to the following conditions:

1. It is understood and agreed that the current "Standard Specifications for Road and Bridge Construction" adopted by the Department of Transportation shall govern insofar as they may be applied and insofar as they do not conflict with the special provisions and supplemental specifications attached hereto.

2. It is understood that quantities listed are approximate only and that they may increase or decrease as needed to promptly complete the work, at the above unit price quoted.

3. Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the terms of acceptance at the point and the matter specified in the "Material Quotation". If delivery on the job site is specified, it shall mean any place or place on the road designated by the awarding authority or its authorized representative.
