SECTION 2. PROCEDURE FOR RECALL

An employee with seniority who has been laid off or transferred as a result of a layoff shall be recalled to work, conditioned upon ability to perform the work available in accordance with the reverse application of the procedure for layoff. Recall rights shall continue for one (1) year after an employee has been laid off.

In the event of recall, eligible employees shall receive notice of recall by certified mail, return receipt requested. It is the responsibility of all employees eligible for recall to notify the Employer of their current address. Upon receipt of the notice of recall, employees shall have five (5) business days thereafter to report to work. ARTICLE 9
GRIEVANCE PROCEDURE

SECTION 1. GRIEVANCE

A Grievance is defined as a dispute or disagreement as to the interpretation and application of any provision of this Agreement. Grievances may be processed by the Union on behalf of an employee or on behalf of a group of employees or itself setting forth name(s) or group(s) of the employee(s). Either party may have the grievant or one grievant representing group grievants present at any step of the grievance procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group.

Business days shall include the weekdays of Monday through Friday, excluding holidays or other days the Employer's office is closed.

SECTION 2. GRIEVANCE STEPS

At no point will an Employer representative render a response to a grievance at more than one (1) step. In the event a grievance is filed by or on behalf of an employee in the Finance Division, the grievance will begin at Step 2 of the Grievance Procedure. If a program does not have a Program Manager because the position is vacant, the grievance may be submitted at Step 2.

STEP 1. IMMEDIATE SUPERVISOR

The employee or employees and/or the Union shall raise the grievance with the employee's immediate supervisor who is outside the bargaining unit by submitting a written Grievance Form. The written grievance shall contain a statement of the grievant's complaint, the section(s) of the Agreement allegedly violated, if applicable, the date of the alleged violation, if applicable, and the relief sought. The form shall be signed and dated by the grievant. Improper grievance form, date or section citation shall not be ground for denial of the grievance.

All grievances must be presented not later than fifteen (15) business days from the date the grievant(s) become aware of the occurrence giving rise to the complaint and shall be handed in person to the grievant's immediate supervisor who shall immediately acknowledge receipt. The immediate supervisor shall render a written response to the grievance within seven (7) business days after the grievance is presented. If the grievance is not resolved at Step 1, the grievant shall indicate her intent to proceed to Step 2 of the Grievance Form and the employee's immediate supervisor shall acknowledge this by initialing and dating the statement of intent to proceed. In those circumstances where securing the signature of the immediate supervisor who is physically not available to sign would have adversely affected a timely submittal to the second level, the grievance will be submitted to the second level without such

signature. A copy of the grievance shall subsequently be provided to the immediate supervisor for such signature. The Union is entitled to be present at any grievance meeting and any grievance settlement should not conflict with this Contract.

STEP 2. DIVISION DIRECTOR

In the event the grievance is not resolved at Step 1, it shall be presented in writing by the Union to the Division Director or his/her designee within ten (10) business days from the receipt of the answer or the date the answer was due, whichever is earlier.

Upon receipt of the written grievance at Step 2, the Division Director may either issue a written response to the grievant(s) within seven (7) business days or may schedule a meeting or hold discussion in an attempt to resolve the grievance within seven (7) business days of receipt of the grievance and shall issue a written opinion within seven (7) days thereof.

STEP 3. EXECUTIVE DIRECTOR

If the grievance is still unresolved, it shall be presented by the Union to the Executive Director, or designee, in writing within ten (10) business days after receipt of the Step 2 response or after the Step 2 response is due, whichever is earlier.

Within seven (7) business days after the receipt of the written grievance the parties shall meet, or hold other discussions in an attempt to solve the grievance unless the parties mutually agree otherwise: The Executive Director or designee shall give his/her written response within seven (7) business days following the meeting.

If no meeting is held, the Executive Director or his/her designee shall respond in writing to the grievance within seven (7) days of receipt of the grievance.

STEP 4. ARBITRATION

If the grievance is still unsettled it may be presented to arbitration within fifteen (15) business day after receipt of the Step 3 response or the date the response was due, whichever is earlier. Upon request of either party, the parties may meet within fifteen (15) business days after receipt of request for arbitration for the purpose of conducting a pre-arbitration conference, to attempt to resolve the grievance prior to arbitration. If the grievance remains unresolved or a pre-arbitration conference is not requested, representatives of the Employer and the Union shall attempt to agree upon an arbitrator. If the parties are unable to agree on an arbitrator within the five (5) business days, the parties shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. The parties shall alternately strike the names of three (3) arbitrators, taking turns as to the first strike. The person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The arbitrator shall be notified of his/her selection by a joint letter from the Employer and the Union requesting that he/she set a time and place for the hearing, subject

to the availability of the Employer and Union representatives and shall be notified of the issue where mutually agreed by the parties.

Arbitration Procedures

Both the parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator.

The Employer or Union shall have the right to request the arbitrator to require the presence of witnesses and /or documents. Each party shall bear the expense of its own witnesses who are not employees of the Employer.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or is such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of that dispute. The arbitrator shall neither amend, modify, nullify, ignore, add or subtract from the provisions of the Agreement.

The expenses and fees of the arbitrator and the cost of the hearing room shall be shared equally by the parties. Nothing in this Article shall preclude the parties from agreeing to use expedited arbitration procedures.

The decision and award of the arbitrator shall be final and binding for the Employer, the Union, and the employee or employees involved.

If either party desires a verbatim record of the proceeding, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy it shall pay for the cost of its copy.

SECTION 3. ADVANCED GRIEVANCE STEP FILING

Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may by mutual agreement be filed at the appropriate advance step where the action giving rise to the grievance was initiated. Mutual agreement shall take place between the appropriate Union representative and the appropriate Employer representative at the step where it is desired to initiate the grievance.

SECTION 4. TIME LIMITS

- a) Grievances may be withdrawn at any step of the Grievance Procedure. Such withdrawal shall not constitute a decision on the merits of the Grievance. Grievances not raised or appealed within the designated time limits will be barred.

- b) The time limits at any step or for any hearing may be extended by mutual agreement of the parties involved at that particular step.
- c) Failure to respond within the time limits by the designated person shall automatically advance the grievance to the next step.

SECTION 5. TIME OFF, MEETING SPACE AND TELEPHONE USE

- a) Time Off: The grievant(s) and/or Union grievance representative will be permitted reasonable time without loss of pay during their working hours to investigate and process grievances. Witnesses whose testimony is pertinent to the Union's presentation or argument will be permitted reasonable time without loss of pay to attend grievance meetings and/or respond to the Union's investigation. No employee or Union representative shall leave his/her work to investigate, file or process grievances without first notifying and receiving permission from his/her supervisor or designee as well as the supervisor of any unit to be visited, and such permission shall not be denied unreasonably. Employees attending grievance meetings shall normally be those having direct involvement in the grievance.
- b) Meeting Space and Telephone Use: Upon request, the employee and Union representative shall be allowed the use of an available appropriate room as long as one is available while investigating or processing a grievance and upon prior general approval, shall be permitted the reasonable use of telephone facilities for the purpose of investigating or processing grievances. Such use shall not include any long distance or toll calls at the expense of the Employer.

SECTION 6. PERTINENT WITNESSES AND INFORMATION

Either Party may request the production of specific documents, books, papers of witnesses reasonably available from the other party and substantially pertinent to the grievance under consideration. Such documents shall be deemed pertinent if they support or refute the issue(s) set forth in the grievance. Such request shall not be unreasonably denied, and if granted shall be in conformance with applicable laws, and rules issued pursuant thereto, governing the dissemination of such materials. This paragraph is applicable to arbitration proceedings only.

ARTICLE 10
DISCIPLINE AND DISCHARGE

SECTION 1. DISCIPLINE AND DISCHARGE

The parties recognize the principles of progressive and corrective discipline. Disciplinary action or measures should include the following:

Oral reprimand

Written reprimand

Suspension (notice to be given in writing)

Discharge (notice to be given in writing)

Disciplinary action may be imposed upon an employee only for just cause.

If the Employer has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public. Employees must sign for receipt of oral and written reprimands but such signature does not indicate that employees are in agreement with the discipline.

SECTION 2. LIMITATION

The Employer's agreement to recognize the principles of progressive and corrective disciplinary action does not prohibit the Employer in any case from imposing discipline which is commensurate with the severity of the offense. For oral and written reprimands, the Employer shall provide the Union with a copy of the reprimand. For all other disciplinary action, the Employer shall notify the Union by submitting a copy of the disciplinary action to the employee and the Union steward and shall reflect the specific nature of the offense.

SECTION 3. PRE-DISCIPLINARY MEETING

For discipline other than oral and written reprimands, prior to imposing the contemplated discipline on the employee, the Employer shall meet with the employee involved and inform the employee of the contemplated discipline and the reason thereof. The Union will be notified by the Employer that it wishes to hold a pre-disciplinary meeting. The employee shall be informed of her contract rights to union representation and it shall be provided, if requested by the employee. The employee and Union representative shall be given the opportunity to rebut or clarify the reasons for such discipline and further provided that a Union representative shall be available within twenty-four (24) hours of notification. If the employee does not request Union representative, a Union representative shall nevertheless be entitled to be present as a non-active participant to any and all such meetings, provided that said Union representative must be available when the meetings take place within 24 hours after notice.

If the Employer determines that there is evidence or reasonable suspicion that an employee has committed a serious or flagrant offense or one which could have detrimental

impact on the morale of the office or to the integrity of its operations, at Employer's discretion, an employee may be placed on administrative leave and will notify the Union in writing within two (2) business days. If the employee desires to contest being placed on administrative leave, she or a Union representative shall give written notice thereof to the Employer within (7) business days of the commencement of the leave. In such event, the dispute shall be submitted and processed under the grievance procedure set forth in Article 10 of the Agreement commencing at Step 3.

SECTION 4. INVESTIGATIVE INTERVIEWS

Where the Employer desires to conduct an investigatory interview of an employee where the results of the interview might result in discipline, the Employer agrees to first inform the employee that the employee has the right to Union representation at such interview. If the employee desires such Union representation, no interview shall take place without the presence of a Union representative. The role of the Union representative is limited to assisting the employee, clarifying the facts and suggesting other employees who may have knowledge of the facts. If the employee does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings provided that a Union representative is available within 24 hours notice from Employer to the Union.

SECTION 5. REMOVAL OF DISCIPLINE

Records of discipline other than suspensions shall be removed from the employee's personnel file, if one year passes from the date of the offense without the employee receiving discipline for the same offense. However, if the employee finds an error in their file, then the Employer has ten (10) days to rectify the situation and send the original to the employee.

SECTION 6. LIMITATION OF THE GRIEVANCE PROCEDURE

Oral or written reprimands shall be subject to the grievance procedure through step three thereof but shall not be subject to arbitration.

ARTICLE 11
PERSONNEL FILES

SECTION 1. PERSONNEL FILES

The Employer shall keep a central personnel file for each employee within the bargaining unit. The Employer is free to keep working files, but material not maintained in the central personnel file may not provide the basis for disciplinary or other action against an employee. The employee shall submit a written request for his/her file and submit the request to the Executive Director or her designee.

SECTION 2. INSPECTION

Upon the request of an employee, the Employer shall reasonably permit an employee to inspect his/her personnel file subject to the following:

- a) Such an inspection shall occur within five (5) business days following receipt of the request. The Employer or his/her designee may be present during such inspection;
- b) Such inspection shall be granted only during daytime office staff working hours Monday through Friday upon written request;
- c) The employee shall not be permitted to remove any part of the personnel file from the premises but may obtain copies of any information contained therein at the time of inspection;
- d) Upon written authorization by the requesting employee, that employee may have a representative of the Union present during such inspection;
- e) Pre-employment information, such as reference reports or information provided the Employer with a specific request that it remain confidential, shall not be subject to inspection or copying.

SECTION 3. NOTIFICATION

Employees shall be given notice by the Employer when any materials are placed in their personnel file except those of a routine, clerical nature.

SECTION 4. LIMITATION ON USE OF FILE MATERIAL

It is agreed that any material not available for inspection, such as provided in Section 1

and 2 above shall not be used in any manner or any forum adverse to the employee's interest.

SECTION 5. PERSONNEL RECORD CORRECTION

SICK LEAVE

SECTION 1. ACCRUAL AND USE

It is the policy of Kane County to provide protection for eligible employees against loss of income because of illness. To ensure that protection, the County has made provisions for both short-term and extended sick leave reserves. All regular full-time and part-time employees are eligible. Part-time employees earn sick leave proportionate to the average number of hours worked. Sick leave pay is based on the employee's regular straight-time rate in effect when the sick leave is taken. Employees must first use short-term sick leave and sick or funeral pay earned and accumulated prior to December 1, 1989, before they can use extended sick leave.

SECTION 2. SHORT-TERM SICK LEAVE/PERSONAL DAY ACCUMULATION

"Sick leave year" is defined as the twelve (12) month period beginning December 1 of each year. Eligible employees, who have completed twelve (12) months of continuous service as of December 1 of the applicable sick leave year, will be credited with five (5) days. Employees who have completed less than twelve (12) months of continuous service as of December 1 of the applicable sick leave year, will be credited with short-term sick leave at the rate of one and one-quarter (1¼) days for each remaining quarter within that year once they have completed six (6) months of County employ.

SECTION 3. SHORT-TERM SICK LEAVE/PERSONAL DAY UTILIZATION

An employee's short-term sick leave credit can be used for personal injury, disability or illness of the employee or appointments with a physician or dentist.

Short-term sick leave may also be used in the event of illness, disability or injury of a member of an employee's immediate family or household on days the employee is scheduled to work. For purposes of definition, the "immediate family or household" shall be the employee's spouse, children, or other family member or individual who resides permanently in the employee's home and for whom the employee is financially responsible or where the presence of the employee is needed. No doctor's note is required. An employee may use these days as personal days. Such leave may be used in increments of not less than one-half (1/2) hour at a time.

SECTION 4. UNUSED SHORT-TERM SICK/PERSONAL LEAVE CARRYOVER AND PAYMENT AT TERMINATION

Short-term sick/personal days will not accumulate from year to year. At the end of the sick leave year, all unused sick/personal days will roll over into extended sick leave. Upon termination, employees will be expected to pay back any and all short-term sick days used that were not previously earned, at a rate of one and one-quarter (1¼) days for every quarter not worked. If an employee terminates and has unused short-term sick leave, the employee will be paid at a rate of one and one-quarter (1¼) days for every quarter worked in the benefit year provided the employee gives fourteen (14) calendar days written notice to the employee's Program Manager.

The Employer shall maintain a record of sick leave accrual, sick leave taken, and the balance of sick leave allowance available for the individual employees.

SECTION 5. EXTENDED SICK LEAVE ACCUMULATION

Eligible employees will be credited with one (1) day of extended sick leave per month after an initial 6 month period of employment is completed. Unused extended sick leave will carry over from year to year and may accumulate to a maximum of two hundred forty (240) days.

SECTION 6. EXTENDED SICK LEAVE UTILIZATION

Unlike short-term sick leave, extended sick leave is intended to provide employees with protection during periods when the employee is under a doctor's care at home or is hospitalized. Extended sick leave is to be used during periods of personal injury, illness or maternity until IMRF disability benefits begin.

An employee may utilize extended sick leave for himself/herself prior to utilizing short-term sick leave if the employee has a serious health condition and is under a doctor's care at home or in the hospital. A doctor's certification is required to support the request for extended sick leave. All doctor's notes must be on either a physician's stationary or documentation that displays the physician's address, phone number and a signature.

Prior to a leave of absence, and the Executive Director's approval, an employee may choose to reserve any of the remaining sick days provided in Section 1 to be used subsequent to the leave.

SECTION 7. SICK OR FUNERAL LEAVE EARNED PREVIOUS TO DECEMBER 1, 1989

Employees who earned and accumulated sick and funeral pay under the policy in effect

prior to December 1, 1989, can carry this time forward and use it for any purpose appropriate under that policy. Under the policy, employees could accumulate up to thirty (30) sick or funeral days. Uses included personal illness or injury, funeral leave, maternity, serious illness in the immediate family, three to one (3:1) conversion for vacation, one-third (1/3) payment at termination or full payment at retirement when receiving an IMRF pension. The sick and funeral leave earned prior to December 1, 1989, may be carried over from year to year. Employees must use these days prior to using the short-term sick/personal days described in Section 1.

SECTION 8. PAYMENT FOR UNUSED EXTENDED SICK LEAVE

No payment for unused extended sick leave is made at termination. Retiring employees under IMRF qualify for up to one year of additional pension service for unused extended sick leave at the rate of one month for every twenty (20) days or fraction thereof. To qualify for this pension credit, the effective date of the pension must be within sixty (60) days of termination. This additional pension service credit applies solely to employees retiring with an IMRF pension.

SECTION 9. SICK DAY ABUSE SANCTIONS

The Employer shall not discipline an employee for legitimate use of sick days. For the purposes of the provisions contained in this Article, "abuse" of sick days or sick leave is the utilization of such for reasons other than those stated in this Article.

Upon sufficient evidence of the abuse of such sick leave, the employee shall not be paid for such leave.

In addition, abuse of sick leave may subject the employee to disciplinary action pursuant to the terms of this Agreement. All employees agree to cooperate fully with the Employer in verifying illness, and shall provide reasonable proof of illness upon request if the Employer has reasonable grounds to suspect abuse.

SECTION 10. SICK LEAVE CALL-IN

It is each employee's responsibility to adhere to the standard work week and time schedule in accordance with the rules and regulations of the department. Occasionally, an absence is unavoidable and, naturally we don't want employees on the job if they are too ill to work. The County expects employees to return to work as soon as commensurate with good health, safety and reasonable considerations. Whenever you are unable to be on the job, you should obtain permission from your department head or supervisor in advance whenever

possible. If for any reason you are unable to report for work at the regular time, it is your responsibility to call your department no later than 0830. The employee's SPI eligibility dates will be extended one (1) month for each month or any portion of a month taken beyond three (3) months (90 calendar days) from the last day paid.
