This report must summarize expenditure of the Grant Funds and activities completed during the grant term. The Grantee's failure to comply with this requirement will be considered a material breach of the performance required by this Agreement and may be the basis to initiate proceedings to recover all Grant Funds disbursed to the Grantee. Grantee's failure to comply with this Section shall be considered prima facie evidence of default, and may be admitted as such, without further proof, into evidence before the Department or in any other legal proceeding.

The Grantee shall maintain effective control and accountability over all Grant Funds, equipment, property, and other assets under the grant as required by the Department. The Grantee shall keep records sufficient to permit the tracing of Grant Funds to a level of expenditure adequate to insure that Grant Funds have not been inappropriately expended, and must have internal controls consistent with generally accepted accounting practices adopted by the American Institute of Certified Public Accountants.

### 7.5 **Due Diligence in Expenditure of Grant Funds**

Grantee shall ensure that Grant Funds are expended in accordance with the following principles: (i) grant expenditures should be made in accordance with generally accepted sound, business practices, arms-length bargaining, applicable federal and state laws and regulations; (ii) grant expenditures should conform to the terms and conditions of this Agreement; (iii) grant expenditures should not exceed the amount that would be incurred by a prudent person under the circumstances prevailing at the time the decision is made to incur the costs; and (iv) grant accounting should be consistent with generally accepted accounting principles.

### 7.6 **Monitoring**

The grant will be monitored for compliance in accordance with the terms and conditions of the Grant Agreement, together with appropriate programmatic rules, regulations, and/or guidelines that the Department promulgates or implements. The Grantee must permit any agent authorized by the Department, upon presentation of credentials, in accordance by all methods available by law, including full access to and the right to examine any document, papers and records either in hard copy or electronic, of the Grantee involving transactions relating to this grant.

## 8. **General Provisions:**

### 8.1 **Availability of Appropriation/Sufficiency of Funds**

This grant is contingent upon and subject to the availability of funds. The Department, at its sole option, may terminate or suspend this grant, in whole or in part, without penalty or further payment being required,

if (1) the Illinois General Assembly or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason, (2) the Governor decreases the Department's funding by reserving some or all of the Department's appropriation(s) pursuant to power delegated to the Governor by the Illinois General Assembly; or (3) the Department determines, in its sole discretion or as directed by the Office of the Governor, that a reduction is necessary or advisable based upon actual or projected budgetary considerations. The Grantee will be notified in writing of the failure of appropriation or a reduction or decrease.

**8.2 Audit/Retention of Records (30 ILCS 500/20-65)**

Grantee and its subcontractors shall maintain books and records relating to the performance of the agreement or subcontract and necessary to support amounts charged to the State under the agreement or subcontract. Books and records, including information stored in databases or other computer systems, shall be maintained by the Grantee for a period of three (3) years from the later of the date of final payment under the agreement or completion of the agreement, and by the subcontractor for a period of three (3) years from the later of final payment under the term or completion of the subcontract. If federal funds are used to pay agreement costs, the Grantee and its subcontractors must retain its records for five (5) years. Books and records required to be maintained under this section shall be available for review or audit by representatives of: the granting Agency, the Auditor General, the Attorney General, the Executive Inspector General, the Chief Procurement Officer, State of Illinois internal auditors or other governmental entities with monitoring authority, upon reasonable notice and during normal business hours. Grantee and its subcontractors shall cooperate fully with any such audit and with any investigation conducted by any of these entities. Failure to maintain books and records required by this section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the agreement for which adequate books and records are not available to support the purported disbursement. The Grantee or subcontractors shall not impose a charge for audit or examination of the Grantee's books and records.

If any of the services to be performed under this Agreement are subcontracted and/or if subgrants are issued/awarded for the expenditure of Grant Funds provided under this Agreement, the Grantee shall include in all such subcontractors and subgrants, a provision that the Department, the Attorney General, the Office of Inspector General, and the Auditor General of the State of Illinois, or any of their duly authorized representatives, will have full access to and the right to examine any pertinent books, documents, papers and records of any such subcontractor or subgrantee involving transactions related to this Agreement for a period of three (3) years following the Department's final approval of all required close-outs (financial and/or programmatic), and any such subcontractor shall be governed by the same requirements to which the Grantee is subject under this Agreement.

**8.3 Time is of the Essence**

Time is of the essence with respect to Grantee's performance of this agreement. Grantee shall continue to perform its obligations while any dispute concerning the agreement is being resolved unless otherwise directed by the State.

**8.4 No Waiver of Rights**

Except as specifically waived in writing, failure by a Party to exercise or enforce a right does not waive that Party's right to exercise or enforce that or other rights in the future.

**8.5 Force Majeure**

Failure by either Party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control and not due to its negligence including acts of nature, acts of terrorism, riots, labor disputes, fire, flood, explosion, and governmental prohibition. The non-declaring Party may cancel the

agreement without penalty if performance does not resume within thirty (30) days of the declaration.

8.6 **Confidential Information**

Each Party, including its agents and subgrants, to this agreement may have or gain access to confidential data or information owned or maintained by the other Party in the course of carrying out its responsibilities under this agreement. Grantee shall presume all information received from the State or to which it gains access pursuant to this agreement is confidential. Grantee information, unless clearly marked as confidential and exempt from disclosure under the Illinois Freedom of Information Act, shall be considered public. No confidential data collected, maintained, or used in the course of performance of the agreement shall be disseminated except as authorized by law and with the written consent of the disclosing Party, either during the period of the agreement or thereafter. The receiving Party must return any and all data collected, maintained, created or used in the course of the performance of the agreement, in whatever form it is maintained, promptly at the end of the agreement, or earlier at the request of the disclosing Party, or notify the disclosing Party in writing of its destruction. The foregoing obligations shall not apply to confidential data or information lawfully in the receiving Party's possession prior to its acquisition from the disclosing Party; received in good faith from a third-party not subject to any confidentiality obligation to the disclosing Party; now is or later becomes publicly known through no breach of confidentiality obligation by the receiving Party; or is independently developed by the receiving Party without the use or benefit of the disclosing Party's confidential information.

8.7 **Use and Ownership**

All work performed or supplies created by Grantee under this agreement, whether written documents or data, goods or deliverables of any kind, shall be deemed work-for-hire under copyright law and all intellectual property and other laws, and the State of Illinois is granted sole and exclusive ownership to all such work, unless otherwise agreed in writing. Grantee hereby assigns to the State all right, title, and interest in and to such work including any related intellectual property rights, and/or waives any and all claims that Grantee may have to such work including any so-called "moral rights" in connection with the work. Grantee acknowledges the State may use the work product for any purpose. Confidential data or information contained in such work shall be subject to confidentiality provisions of this agreement.

Equipment and material authorized to be purchased with Grant Funds becomes the property of the Grantee. Grantee will maintain an inventory or property control record for all equipment and material purchased with Grant Funds. During the Grant term, the Grantee must: (1) use equipment and materials acquired with Grant Funds only for the approved Project purposes set forth in Section 2.1; and (2) provide sufficient maintenance on the equipment and materials to permit achievement of the approved Project purposes and maintain, at its own expense, insurance coverage on all equipment and material purchased with Grant Funds, for its full insurable value, against loss, damage and other risks ordinarily insured against by owners or users of similar equipment and material in similar businesses. The Grantee is prohibited from, and may not sell, transfer, encumber (other than original financing) or otherwise dispose of said equipment or material during the grant term without prior written approval of the Department.

8.8 **Indemnification and Liability**

The Grantee shall indemnify and hold harmless the State of Illinois, its agencies, officers, employees, agents and volunteers from any and all costs, demands, expenses, losses, claims, damages, liabilities, settlements and judgments, including in-house and contracted attorneys' fees and expenses, arising out of: (a) any breach or violation by Grantee of any of its certifications, representations, warranties, covenants or agreements; (b) any actual or alleged death or injury to any person, damage to any property or any other damage or loss claimed to result in whole or in part from Grantee's negligent performance; or (c) any act, activity or omission of Grantee or any of its employees, representatives, subcontractors or agents. Neither Party shall be liable for incidental, special, consequential or punitive damages.

8.9 **Independent Contractor**

Grantee shall act as an independent contractor and not an agent or employee of, or joint venturer with the State. All payments by the State shall be made on that basis.

8.10 **Solicitation and Employment**

Grantee shall not employ any person employed by the State during the term of this agreement to perform any work under this agreement. Grantee shall give notice immediately to the Agency's director if Grantee solicits or intends to solicit State employees to perform any work under this agreement.

8.11 **Compliance with the Law**

The Grantee, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations, orders, federal circulars and all license and permit requirements in the performance of this agreement. Grantee shall be in compliance with applicable tax requirements and shall be current in payment of such taxes. Grantee shall obtain at its own expense, all licenses and permissions necessary for the performance of this agreement.

8.12 **Background Check**

Whenever the State deems it reasonably necessary for security reasons, the State may conduct, at its expense, criminal and driver history background checks of Grantee's and subcontractors officers, employees or agents. Grantee or subagreementor shall reassign immediately any such individual who, in the opinion of the State, does not pass the background checks.

8.13 **Applicable Law**

This agreement shall be construed in accordance with and is subject to the laws and rules of the State of Illinois. The Department of Human Rights' Equal Opportunity requirements (44 Ill. Adm. Code 750) are incorporated by reference. Any claim against the State arising out of this agreement must be filed exclusively with the Illinois Court of Claims (705 ILCS 505/1). The State shall not enter into binding arbitration to resolve any agreement dispute. The State of Illinois does not waive sovereign immunity by entering into this agreement. The official text of cited statutes is incorporated by reference (An unofficial version can be viewed at <http://www.ilga.gov/legislation/ilcs/ilcs.asp>). In compliance with the Illinois and federal Constitutions, the Illinois Human Rights Act, the U. S. Civil Rights Act, and Section 504 of the federal Rehabilitation Act and other applicable laws and rules the State does not unlawfully discriminate in employment, agreements, or any other activity.

8.14 **Anti-Trust Assignment**

If Grantee does not pursue any claim or cause of action it has arising under federal or state antitrust laws relating to the subject matter of the agreement, then upon request of the Illinois Attorney General, Grantee shall assign to the State rights, title and interest in and to the claim or cause of action.

8.15 **Contractual Authority**

The Agency that signs for the State of Illinois shall be the only State entity responsible for performance and payment under the agreement. When the Chief Procurement Officer or authorized designee signs in addition to an Agency, they do so as approving officer and shall have no liability to Grantee. When the Chief Procurement officer or authorized designee signs a master agreement on behalf of State agencies, only the Agency that places an order with the Grantee shall have any liability to Grantee for that order.

8.16 **Modifications and Survival**

Amendments, modifications and waivers must be in writing and signed by authorized representatives of the Parties. Any provision of this agreement officially declared void, unenforceable, or against public policy, shall be ignored and the remaining provisions shall be interpreted, as far as possible, to give effect to the Parties' intent. All provisions that by their nature would be expected to survive, shall survive termination. In the event of a conflict between the State's and the Grantee's terms, conditions and attachments, the State's terms, conditions and attachments shall prevail.

8.17 **Performance Record/Suspension**

Upon request of the State, Grantee shall meet to discuss performance or provide agreement performance updates to help ensure proper performance of the agreement. The State may consider Grantee's performance under this agreement and compliance with law and rule to determine whether to continue the agreement, suspend Grantee from doing future business with the State for a specified period of time, or to determine whether Grantee can be considered responsible on specific future agreement opportunities.

8.18 **Freedom of Information Act**

This agreement and all related public records maintained by, provided to or required to be provided to the State are subject to the Illinois Freedom of Information Act notwithstanding any provision to the contrary that may be found in this agreement.

8.19 **Amendments**

This Agreement may not be amended without prior written approval of both the Grantee and the Department.

8.20 **Assignment**

The Grantee understands and agrees that this Agreement may not be sold, assigned, or transferred in any manner and that any actual or attempted sale, assignment, or transfer without the prior written approval of the Department shall render this Agreement null, void, and of no further effect.

8.21 **Termination for Cause**

The State may terminate this agreement, in whole or in part, immediately upon notice to the Grantee if: (a) the State determines that the actions or inactions of the Grantee, its agents, employees or subagreementors have caused, or reasonably could cause, jeopardy to health, safety, or property, or (b) the Grantee has notified the State that it is unable or unwilling to perform the agreement.

If Grantee fails to perform to the State's satisfaction any material requirement of this agreement, is in violation of a material provision of this agreement, or the State determines that the Grantee lacks the financial resources to perform the agreement, the State shall provide written notice to the Grantee to cure the problem identified within the period of time specified in the State's written notice. If not cured by that date the State may either: (a) immediately terminate the agreement without additional written notice or (b) enforce the terms and conditions of the agreement.

For termination due to any of the causes contained in this Section, the State retains its rights to seek any available legal or equitable remedies and damages.

8.22 **Termination for Convenience**

The State may, for its convenience and with thirty (30) days prior written notice to Grantee, terminate this

agreement in whole or in part and without payment of any penalty or incurring any further obligation to the Grantee. The Grantee shall be entitled to compensation upon submission of invoices and proof of claim for supplies and services provided in compliance with this agreement up to and including the date of termination.

8.23 **Health Insurance Portability and Accountability Act Compliance**

Grantee shall comply with the applicable provisions of the Health Insurance Portability and Accountability Act (HIPAA), including, but not limited to statute, 42 USC 132d, and applicable regulations, 45 CFR 160, 162, and 164, as may be promulgated or amended over time.

8.24 **Entire Agreement**

The Department and the Grantee understand and agree that this Agreement constitutes the entire Agreement between them and that no promises, terms, or conditions not recited or incorporated within this Agreement, including prior Agreements or oral discussions not incorporated within this Agreement, shall be binding upon either the Grantee or the Department.

9. **Certifications:**

Grantee acknowledges and agrees that compliance with this section and each subsection for the term of the Agreement and any renewals is a material requirement and condition of this agreement. By executing this Agreement Grantee certifies compliance with this section and each subsection and is under a continuing obligation to remain in compliance and report any non-compliance. If the Parties determine that any certification in this section is not applicable to this agreement it may be stricken without affecting the remaining subsections.

- 9.1 As part of each certification, Grantee acknowledges and agrees that should Grantee or its subcontractors/subgrantors provide false information, or fail to be or remain in compliance with the Standard Certification requirements, one or more of the following sanctions will apply:
- the Agreement may be void by operation of law,
  - the State may void the Agreement, and
  - the Grantee and its subcontractors may be subject to one or more of the following: suspension, debarment, denial of payment, civil fine, or criminal penalty.

Identifying a sanction or failing to identify a sanction in relation to any of the specific certifications does not waive imposition of other sanctions or preclude application of sanctions not specifically identified.

- 9.2 Grantee certifies it and its employees will comply with applicable provisions of the U.S. Civil Rights Act, Section 504 of the Federal Rehabilitation Act, the Americans with Disabilities Act (42 U.S.C. § 12101 et seq.) and applicable rules in performance under this agreement.
