The loan shall bear interest at the rate or rates which are equal to 64% of the interest rates due on the Bonds on each interest payment date for the Bonds. The loan shall be amortized on the same schedule as the portion of the Bonds applicable to the loan, except that each payment on the loan will be due 10 business days prior to each interest payment date on the

Bonds, which repayment schedule (the "Schedule") including the principal and interest is attached hereto as Exhibit A and made a part hereof.

5. In consideration of the mutual promises and the terms and conditions set forth herein, the County agrees to loan the amounts stated herein in exchange for the Agency's obligation to repay those amounts with interest at the above stated rate and in accordance with the Schedule. This Direction shall be irrevocable while any of the loan made to the Agency by the County pursuant to this Agreement remains outstanding and unpaid.

ARTICLE III: THE AGENCY PROJECT

1. The plans and specifications for the Agency Project shall: (a) meet the general requirements for the Project, and (b) be provided to the County by the Agency. The Agency shall comply with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Agency, all as may be in effect from time to time, pertaining to or affecting the Agency Project or the Agency as related thereto. The Agency shall include a certification of such compliance with each request for Bond Proceeds hereunder and at the time the Agency Project is completed. The County shall be entitled to rely on this certification without further inquiry. Upon the County's request, the Agency shall provide evidence satisfactory to the County of such compliance.

2. In all contracts relating to the Agency Project, the Agency agrees to require the contractor to name the County as an additional insured on insurance coverages and to require the contractor to indemnify the County from all claims, damages, demands, losses, suits, actions, judgments and expenses including but not limited to attorney's fees arising out of or resulting from work on the Agency Project by the contractor or the contractor's suppliers, employees, or agents.

3. The Agency covenants to the County that it shall complete the Agency Project; provided, however, the Agency shall not be considered in breach of or in default of its obligation to complete the Agency Project in the event of any delay caused by damage or destruction by fire or other casualty, strike, shortage of material, unusually adverse weather conditions such as, by way of illustration and not limitation, severe rain storms or below freezing temperatures of

abnormal degree or for an abnormal duration, tornadoes or cyclones, and other events or conditions beyond the reasonable control of the Agency which in fact interferes with the ability of the Agency to discharge its obligation to complete the Agency Project. With respect to any such delay the Agency shall, upon the occurrence of the event causing such delay, immediately give written notice to the County. The Agency may rely on this section only to the extent of the actual number of days of delay affected by any such events described above.

4. On or before December 1, 2011, the Agency shall furnish the County with a drawdown schedule evidencing the Agency's reasonable expectation that the Agency Project will be acquired and constructed with due diligence and that 85% of the Agency Project will be completed within 3 years from the date of issuance of the Bonds.

ARTICLE IV: FUNDING

1. (a) With respect to the Agency Project, on a monthly basis (or at such other intervals as the County may agree to), the Agency shall provide the County's Department of Finance (the "Department") with a Requisition Form, in substantially the form attached hereto as Exhibit B, along with: (i) a cost itemization of the Agency Project budget in substantially the form attached hereto as Exhibit C Project Budget"; (ii) evidence of the expenditures upon project improvements which the Agency has paid or will pay; and (iii) all other documentation described in Exhibit B. The availability of Bond Proceeds is subject to the County's compliance with all applicable requirements regarding the use of such proceeds and the timing of such use.

(b) Delivery by the Agency of a Requisition Form hereunder shall, in addition to the items therein expressly set forth, constitute a certification, representation and warranty to the County, as of the date of such Requisition Form, that:

(i) the total amount of the Bond Proceeds requested represents the actual amount paid or to be paid to the general contractor, subcontractors, and other parties who have performed work on or otherwise provided goods or services in connection with the Agency Project, and/or their payees;

(ii) all amounts shown as previous payments on the Requisition Form (if any) have been paid to the parties entitled to such payment;

(iii) the Agency has approved all work and materials for the Requisition Form, and such work and materials conform to the plans and specifications for the Agency Project; and

(iv) the Agency is in compliance with all applicable federal, state and local laws, statutes, ordinances, rules, regulations, codes and executive orders, as well as all policies, programs and procedures of the Agency, all as may be in effect from time to time, pertaining to or affecting the Agency Project or the Agency as related thereto.

The County shall have the right, in its discretion, to require the Agency to submit further documentation as the County may require in order to verify that the matters certified to above are true and correct; provided, however, that nothing in this sentence shall be deemed to prevent the County from relying on such certifications by the Agency.

(c) Payment of Bond Proceeds will be made subject to all applicable restrictions on and obligations of the County contained in all County ordinances relating to the Bonds, including but not limited to the Bond Ordinance, and all agreements and other documents entered into by the County pursuant thereto.

2. The estimate of the cost of the Agency Project is \$1,447,347 including the Agency's share of costs of issuance. The Agency has delivered to the Authorized Officer a detailed preliminary budget, attached hereto and incorporated herein as Exhibit C. The Agency shall deliver to the County an amended budget (if necessary) in connection with each Requisition Form and a final budget (upon Agency Project completion) for the Agency Project, and when approved by the County in writing such amended (if any) and final budgets shall also be attached hereto and incorporated herein as Exhibit C. The budget shall identify the sources of and uses for all funds for the Agency Project. The Agency certifies that it has identified sources of funds (including the Bond Proceeds) sufficient to complete the Agency Project. The Agency agrees that the County will only contribute the Bond Proceeds to the Agency Project and that all costs of completing the Agency Project over the Bond Proceeds (if any) shall be the sole responsibility of the Agency. If the Agency at any time does not have sufficient funds to complete the Agency Project, the Agency shall so notify the County in writing, and the Agency may reduce the scope of the Agency Project as agreed with the County in order to complete the Agency Project with the available funds.

3. If the aggregate cost of the Agency Project is less than the amount of the Bond Proceeds contemplated by this Agreement, the Agency shall have no claim to the difference between the amount of the Bond Proceeds contemplated by this Agreement and the amount of the Bond Proceeds actually paid by the County to the Agency and expended by the Agency on the Project (the "Excess Bond Proceeds"); provided, however, that the foregoing shall not be construed to preclude the Agency from requesting all or some of the Excess Bond Proceeds from the County to finance other costs incurred by the Agency for the purposes allowed by Section 1400U-2 of the Act and provided for in the Bond Ordinance, subject to the County's approval (in the County's sole discretion). To the extent Bond Proceeds allocated to the Agency are not used for the Agency Project or any other project of the Agency the County shall reduce the loan obligation of the Agreement by the amount of such Excess Bonds Proceeds and reduce the amounts due pursuant to Schedule A on a pro rata basis.

4. The Agency shall provide to the County quarterly reports on the progress and status of the Agency Project and reasonable access to its books and records relating to the Project.

5. During the Term hereof, the Agency shall not sell, transfer, convey, lease or otherwise dispose (or cause or permit the sale, transfer, conveyance, lease or other disposal) of all or any portion of (a) the Project or any interest therein, or (b) any Agency Project Improvement or any interest therein (each a "Transfer"), or otherwise effect or consent to a Transfer, without the prior written consent of the County. The County's consent to any Transfer may, in the County's sole discretion, be conditioned upon (among other things) whether such a Transfer would conflict with the statutory basis for the loan of the Bond Proceeds hereunder pursuant to the Act. Subject to applicable law, the Agency shall pay any proceeds of any Transfer to the County.

ARTICLE V: TERM

The Term of the Agreement shall commence as of the Agreement Date and shall expire upon repayment of the loan.

ARTICLE VI: INDEMNITY; DEFAULT

1. In no event shall the Agency's obligation to indemnify the County exceed the County's actual damages that are attributable to the actions of the Agency as they relate solely to this Agreement.

2. The failure of the Agency to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the Agency with respect to an Agency Project under this Agreement or any related agreement (including the Depository Agreement) shall constitute an "Event of Default" by the Agency hereunder. Upon the occurrence of an Event of Default, the County may terminate this Agreement with respect to the Agency Project and all related agreements. The County may by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. Any such legal proceeding shall be brought in the Sixteenth Judicial Circuit, Kane County, Illinois.

In the event the Agency shall fail to perform a covenant which the Agency is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an event of default shall not be deemed to have occurred unless the Agency has failed to cure such default within thirty (30) days after its receipt of a written notice from the County or, if the Event of Default is not capable of being cured within such thirty (30) days period, the Agency shall not be deemed to have committed an Event of Default under this Agreement if it

has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.

3. The failure of the County to perform, keep or observe any of the covenants, conditions, promises, agreements or obligations of the County with respect to an Agency Project under this Agreement or any related agreement (including the Depository Agreement) shall constitute an "Event of Default" by the County hereunder. Upon the occurrence of an Event of Default, the Agency may terminate this Agreement with respect to the Agency Project and any other agreement directly related to this Agreement. The Agency may by any action or proceeding at law or in equity, pursue and secure any available remedy, including but not limited to injunctive relief or the specific performance of the agreements contained herein. Any such legal proceeding shall be brought in the Sixteenth Judicial Circuit, Kane County, Illinois.

In the event the County shall fail to perform a covenant which the County is required to perform under this Agreement, notwithstanding any other provision of this Agreement to the contrary, an event of default shall not be deemed to have occurred unless the County has failed to cure such default within thirty (30) days after its receipt of a written notice from the Agency. If an event of default is not capable of being cured within such thirty (30) days period, the County shall not be deemed to have committed an Event of Default under this Agreement if it has commenced to cure the alleged default within such thirty (30) day period and thereafter diligently and continuously prosecutes the cure of such default until the same has been cured.
