STATE OF ILLINOIS

COUNTY OF KANE

RESOLUTION NO. 12 - 297

APPROVING AN ANNUAL OPERATIONS AND MAINTENANCE FEE FOR STREAM AND RAIN GAGES, 2013

WHEREAS, on October 13, 1998 the Kane County Board passed Ordinance No. 98-251 adopting the Kane County Stormwater Management Plan (the "Plan") pursuant to 55ILCS 5/5-1062, which established goals to "identify, protect, and improve floodplains, waterways, lakes, ponds, wetlands... in order to maximize the protection of public health, safety, and welfare, and identify and develop revenue sources to complete the goals and objectives..."; and

WHEREAS, the collection of stream flow and rainfall data is an integral part of planning flood mitigation activities, investigating water quality, and protecting and improving Kane County's water resources; and

WHEREAS, on May 12, 1998, the Kane County Board passed Resolution #98-129 authorizing the expenditure of funds to install, operate, and maintain stream and rain gages in cooperation with various state and federal agencies including the United States Geological Survey and the Illinois Department of Natural Resources; and

WHEREAS, the County has negotiated joint funding with the United States Geological Survey for the 2012/2013 operation, maintenance, and monitoring of said gages, for which the United States Geological Survey and Kane County will each pay approximately one-half the stated costs of the above mentioned work; and

WHEREAS, adequate funds to complete this commitment have been budgeted and exist in Fund 086, line item 50150 for the Kane County commitment of Fifty Thousand Three Hundred Forty Dollars (\$50,340.00).

NOW, THEREFORE BE IT RESOLVED by the Kane County Board that the Chairman is hereby authorized to enter into a contract with the USGS for the joint funding for the operation, maintenance, and monitoring of rain and stream gages in Kane County in an amount not to exceed Fifty Thousand Three Hundred Forty Dollars (\$50,340.00), to be paid from Fund 086, Line Item 50150. A copy of said contract shall be kept on file with the Kane County Auditor.

Line Item	Line Item Description	Was personnel/item/service approved in original budget or a subsequent budget revision?	Are funds <u>currently</u> available for this personnel/item/service in the specified line item?	If funds are not currently available in the specified line item, where are the funds available?

THIS AGREEMENT is entered into as of the 15th day of August, 2012, by the U.S. GEOLOGICAL SURVEY, UNITED STATES DEPARTMENT OF THE INTERIOR, party of the first part, and the Kane County Division of Environmental Management, party of the second part.

1. The parties hereto agree that subject to availability of appropriations and in accordance with their respective authorities there shall be maintained in cooperation streamgaging and rainfall-gaging program, herein called the program. The USGS legal authority is 43 USC 36C; 43 USC 50; and 43 USC 50b.
2. The following amounts shall be contributed to cover all of the cost of the necessary field and analytical work directly related to this program. 2(b) includes In-Kind Services in the amount of \$0.00.

(a) \$19,734 by the party of the first part during the period
October 1, 2012 to September 30, 2013

(b) \$37,240 by the party of the second part during the period
October 1, 2012 to September 30, 2013

(c) Additional or reduced amounts by each party during the above period or succeeding periods as may be determined by mutual agreement and set forth in an exchange of letters between the parties.

(d) The performance period may be changed by mutual agreement and set forth in an exchange of letters between the parties.

3. The costs of this program may be paid by either party in conformity with the laws and regulations respectively governing each party.
4. The field and analytical work pertaining to this program shall be under the direction of or subject to periodic review by an authorized representative of the party of the first part.
5. The areas to be included in the program shall be determined by mutual agreement between the parties hereto or their authorized representatives. The methods employed in the field and office shall be those adopted by the party of the first part to insure the required standards of accuracy subject to modification by mutual agreement.
6. During the course of this program, all field and analytical work of either party pertaining to this program shall be open to the inspection of the other party, and if the work is not being carried on in a mutually satisfactory manner, either party may terminate this agreement upon 60 days written notice to the other party.
7. The original records resulting from this program will be deposited in the office of origin of those records. Upon request, copies of the original records will be provided to the office of the other party.

Mr. Timothy Harbaugh, P.E.
Director, Division of Environmental Management
Kane County
719 Batavia Avenue
Geneva, Illinois 60134

Dear Mr. Harbaugh:

Enclosed are two originals of the Joint Funding Agreement (JFA) for the period October 1, 2012 through September 30, 2013. We are pleased to inform you that Fiscal Year 2013 streamgaging costs are not changing from Fiscal Year 2012 levels. The agreement covers the streamgaging and rainfall-gaging program and provides for an expenditure of \$26,200 to be provided by the U.S. Geological Survey (USGS) and \$37,240 to be provided by Kane County. In previous years, the USGS funds were composed of the Cooperative Water Program (CWP) which included certain overhead expenditures. However, the USGS can no longer include certain administrative costs in conjunction with this project. Therefore, the JFA reflects a lower CWP expenditure than in previous years. However, the total USGS contribution which includes the CWP expenditures (which are on the JFA) and the administrative expenditures (which are not on the JFA), remains the same. Since the streamgaging cost did not increase this year, the costs you are expending should remain the same. A table showing the breakdown of streamgages and raingages for the Basic Data Collection Program also is enclosed.

If you concur, please sign the JFAs and return one to this office as soon as possible for processing. Work cannot be continued or started until we receive the signed agreement. We appreciate your continued interest in the cooperative program. Should you have any questions, please contact Gary Johnson at (217) 328-9720.

Sincerely,

Douglas J. Yeskis
Director, USGS Illinois Water Science Center
