The attached captioned Agreement is not susceptible to legal review of the terms, as the amendment contains no obligatory terms and conditions for review and merely amends a prior Workforce Funding Agreement and agrees to the receipt of additional funds which have recently become available.

The document refers to historical material, and data, which is not included or attached, and is appropriately reviewed by audit if necessary. Given that the requested time frame for submission of the documents prohibits detailed review, we suggest review with the submitting staff member is appropriate.
