

MILL CREEK SPECIAL SERVICE AREA

2021 STREET & ALLEYWAY SWEEPING

Weeks of May 10, August 16 and November 29

Street and alleyway sweeping plays a critical role in keeping Mill Creek SSA's streets, alleyways, air and water clean. A clean street keeps storm drains clear of debris, helps prevent localized street flooding due to clogged catch basins, and prevents pollutants from reaching the surrounding waterways.

In order to improve effectiveness of the sweeping program, the SSA and **LAKESHORE** Recycling Systems asks that you park your vehicles off the street during the sweeping week until the sweeping of your street has been completed. Sweeping around obstacles requires more time and reduces the effectiveness of the sweeping program. Please do not rake, pile or blow grass clippings, or leaves into the street. **THIS IS NOT A LEAF PICK-UP SERVICE PROGRAM** - sweepers are not designed to pick up large quantities of debris and leaves.

Thank you in advance for your cooperation.
