Keep Calm, Recycle On!

Kane County Electronics Collection Events to Continue April through November 2016

It is true that the two remaining Kane County weekday drop-offs in St. Charles and West Dundee are closing indefinitely as of April 8th, but there is no need to panic! Perhaps you have read the last two articles submitted to Kane County Connects on this issue. If not, here are the links: [Illinois' Electronics Recycling Struggles Affect Kane County](#) & [Where to Recycle Your Big Old TVs Today](#)

The Kane County Electronics Recycling collection events will be held at 540 S. Randall Road in St. Charles on the second Saturday of each month April through November of 2016 on these dates: 4/9, 5/14, 6/11, 7/9, 8/13, 9/10, 10/8, & 11/12. Electronics and books will be accepted at all events. Check [online](#) for a list of the additional items we will accept at certain events throughout the year. Please note that these events are for Kane County residents only.

The first Kane County Recycles Event of the year will be held on Saturday, April 9th between 8am and 12noon, at 540 S Randall in St. Charles. At this event, you can recycle electronics including TVs (free), books (free), and liquid latex paint (for a [fee](#)). You may also bring up to 4 large boxes of residential confidential documents for onsite shredding (free). See here for a [complete list of accepted items](#). We will accept up to 3 TVs per car of any type, size, or age. Large loads of TVs will not be accepted.

Avoid Long Lines: The following event will be on May 14th and we will be recycling electronics and books only. Please wait for this event if you have only electronics or books to recycle. April 9th is expected to have increased traffic and much longer lines! Help out by waiting until May if you can.

Businesses with electronics to recycle: This program is for Kane County Residents only. Businesses, institutions, schools, and non-profits may not use this event, but must contract for recycling services from a [certified electronics recycler](#).

Thanks for all that you do to **Rethink, Reduce, and Reuse!**

NOTE to EDITOR: You must print that the paint has a fee!

Link to: <http://www.countyofkane.org/Recycling/pages/paint.aspx> for more information on the fee.
