## **Recycling Event in St. Charles on Saturday 5/13/17 - Electronics, Books**

The next Kane County Recycles Event will be held on Saturday 5/13/17, between 8am and 12noon, at 540 S Randall in St. Charles. This is NOT a document shredding event; the next shred event is scheduled for 7/8/17.

At this weekend's event, you can recycle **BOOKS** of any age and condition and **ELECTRONICS** like computers, keyboards, laptops, printers, stereos, cell phones, microwaves and more (free of cost). We also take televisions (any size or age) and computer monitors, but they do have a cost of \$25 for screens under 21 inches (measured diagonally) and \$35 for screens 21 inches and over. You can pay with cash or card at the event. And we do unload for you!

The fee that you pay for TVs and monitors goes directly to the County's contracted electronics recycler, eWorks, a non-profit whose main mission is to employ developmentally disabled individuals. You will receive a tax-deduction receipt.

Also remember that you can use any of the [electronics recycling drop offs](#) that are open 8 hours a day Monday through Friday!

A full list of acceptable items can be found here:
