Kane County Annual Recycling Extravaganza Sat. 7/13/19

Kane County is once again hosting an annual recycling extravaganza event on Saturday, July 13th, 2019 from 8am – 12 noon, at 540 S Randall Road in St. Charles. This event DOES NOT include shredding. Please see the [EVENT POSTER](#) for more details, and please read below information to make the most of your event experience!

Tips for optimal event experience

1. Please arrive between the hours of 8am and 11:45am for optimal service. Please do not arrive early, as it creates a pile up before we even begin. Thank you.
2. It is recommended that you approach on the North-bound side of Randall, coming up from 38 towards 64, so that you can easily turn right, into the event at the Kane County Traffic Court building. If you approach on the South-bound side of Randall, you may have difficulty turning left into the event site across the oncoming traffic, and the lineup creates a traffic flow problem on Randall.
3. Please check out this [MAP](#) of the event to see the order in which things will be unloaded so that you can pack your car accordingly. This helps us to serve you more efficiently.
4. Stop into Colonial Café for brunch after recycling!

Prepare to have material unloaded in this order – [MAP](#)

1. Electronics
2. Books
3. Latex paint
4. Scrap Metal, 4-foot fluorescent tubes, Batteries, Styrofoam, Bikes, Helmets, Clothes, Shoes (all unloaded at the last stop)

Items You Can Recycle
