

Appointments Now Available for Pediatric COVID-19 Vaccinations at Kane Vax Hub in Batavia

November 3, 2021 – The Kane County Health Department (KCHD) announces that appointments are now available for pediatric Pfizer-BioNTech COVID-19 vaccinations at the Kane Vax Hub in Batavia at [KaneVax.org](https://www.kanevax.org).

Appointments begin Wednesday, November 10. More appointments will be added weekly.

Children ages 5 through 11 years of age are eligible for the vaccinations.

Pfizer-BioNTech is given as a 2-dose set, with the second dose given 3 weeks after the first dose.

The Kane Vax Hub at 501 N. Randall Street in Batavia is open Wednesdays from 1 p.m. to 5 p.m. and Saturdays from 9 a.m. to noon.

Individuals that are 5 to 17 years of age can only receive the Pfizer vaccine and must have a parent or guardian's signature on the Pfizer consent form. Pfizer-BioNTech consent forms are available to download from [KaneVax.org](https://www.kanevax.org) and [KaneHealth.com](https://www.kanehealth.com).

Parents are encouraged to consult with their pediatrician.

For additional information and current updates about COVID-19, visit the KCHD website at [KaneHealth.com](https://www.kanehealth.com) or call the health department at 630-208-3801 and select the COVID line.
