Geneva, IL –Kane County Clerk John A. Cunningham

CUNNINGHAM ANNOUNCES EXPANDED EARLY VOTING IN KANE COUNTY BEGINS TODAY

Kane County Clerk John A. Cunningham would like to remind Kane County voters that **Expanded Early Voting** for the November 8 General Election **begins today** and continues through Monday, Nov. 7.

Clerk Cunningham said, “I want to encourage all Kane County voters to consider voting at one of the 25 Early Voting sites located across Kane County. I have continued to promote voting access for Kane County voters, and we have the most in person Early Voting sites in the collar counties. **If you are registered to vote in Kane County, you can vote early at any Kane County Early Voting site**, based on whatever location is most convenient to you.”

Permanent Early Voting sites, which are open **7 days a week** (hours vary) include the **Kane County Clerk’s Office** locations in **Geneva** and **Aurora**; **Fire Station No. 93**, 5000 Sleepy Hollow Rd., Carpentersville; **Elgin Township**, 729 S. McLean Blvd., Elgin; **Gail Borden Library**, 270 N. Grove Ave., Elgin; **Kane County Branch Court Conference Center**, 530 S. Randall Rd., St. Charles; and **Vaughn Athletic Center**, 2121 W. Indian Tr., Aurora.

The other 18 Early Voting sites have varying dates and hours. A complete list of **all Early Voting sites**, dates, and times is available at kanecountyclerk.org/Elections/Pages/Early-Voting.aspx.

Cunningham said, “I would suggest that you consider voting early this week if you are ready to vote. The first week of expanded Early Voting generally is slower than the second week. If you don’t want to wait in line, vote now.”

Cunningham added that Early Voting is one of the most popular voting options for Kane County voters. In the last general election, more voters chose the Early Voting option than Election Day voting or Vote by Mail. Cunningham credited the growth of the Clerk’s Voter Outreach Program (VOP) and its partnership with local businesses and governments to encourage early voting on their digital signs.

Sample ballots personalized to the voter’s home address are available at kanecountyclerk.org/Elections/Pages/Voter-Search.aspx. Voters can enter their last name and address to find all the candidates that will be on their ballot.

Voters are also encouraged to follow the Clerk’s Office on Twitter [@KaneCoILClerk](https://twitter.com/KaneCoILClerk) and Facebook [@kanecountyclerk](https://www.facebook.com/kanecountyclerk) for more election information.

The Clerk’s Office has developed innovative ways to serve the public, including expanding early voting, establishing a call center to resolve Election Day issues, developing a Voter Outreach Program to increase voter registration and early voting, increase election security and transparency, and improving technology.
