Kane County Hosts Shredding and Paint Collection Event Saturday May 14

Are old cans of paint and boxes of documents taking up space in your home, garage or basement? Get a jump start on spring cleaning and bring your confidential documents and cans of paint to Kane County's shredding and paint collection event on Saturday May 14.

The event will be held rain or shine from 8 a.m. to 12 p.m. at the Kane County Branch Court office, 540 S. Randall Rd. in St. Charles, across from the Kane County Fairgrounds.

Shredding is free and is restricted to residential purposes. There is a limit of four banker size boxes per household. The event is for Kane County residents only (proof of residency required) and will end early if the trucks are completely filled.

This recycling event will only collect latex paint and aerosol items, in addition to shredding of confidential documents. Please visit

<https://www.countyofkane.org/Recycling/Pages/confidentialDocument.aspx> for event guidelines and directions on how to prepare your documents for shredding.

There is a per-item fee to recycle latex paint, aerosol items and other canisters. Cash and debit/credit cards are accepted. Correct change is appreciated. Please visit
