

The Kane County System of Care and the
Kane County Regional Office of Education Present:

The 4th annual

Youth Voices Forum on Mental Health Public Panel

Mental Health in Times of Change

To help our young people, we must listen them!

A panel including student speakers, school and community leaders, and mental health professionals from across Kane County will discuss the current state of youth mental health.

Please join us VIRTUALLY on Thursday, February 9th, 2023 from 12pm-1pm as we come together to show Kane County High School Students that they are valued and their contributions matter.

**Interpretation to Spanish provided*

Target Audience: School Administrators, School Staff, Community Leaders, Mental Health Professionals, & Parents and Caregivers

Registration is required with link or QR code:
