Treat your Toddler to Fall Fun at “Little Saplings”

GENEVA, IL — Join us this fall for Little Saplings, a monthly program designed for children aged 3-5, that aims to foster a love for nature and inspire young minds.

Led by experienced naturalists, these programs will feature short hikes, tactile learning opportunities and fun nature crafts. We’ll examine the art of camouflage, learn about the life cycle of squirrels and practice our goose calls.

Each month, we’ll start in Creek Bend Nature Center and then head outdoors for fun, experiential learning opportunities. After the program, participants are encouraged to explore the Nature Center’s various exhibits. Little Saplings is an excellent opportunity to discover new places and meet new faces while developing a deep connection with nature.

Little Saplings Fall Schedule:

Animal Mysteries

Date: Thursday, Sept. 21

Time: 9:30 a.m. - 10:30 a.m.

Location: Creek Bend Nature Center

LeRoy Oakes Forest Preserve
