Rezoning property from F to F-1

**Special Information:** A home for the petitioner was built on the property with permit in 2006. About 2 years after the permit was finaled the petitioner split off the home on a separate parcel, not realizing the zoning violation which would result. When the petitioner came in this year for an addition to the home, this problem was discovered. The petitioner is seeking a rezoning to bring the property into conformance with the Zoning Ordinance.

**Analysis:** The Kane County 2040 Land Resource Management Plan designates this area as Agricultural. The Plan recognizes that not all land in this area is suitable for farming and that some land can be used for farmsteads and very low density residential uses.

**Findings of Fact:**
1. The rezoning will bring the current use and zoning into conformance with the Kane County Zoning Ordinance.
