APPLICABLE LAND USE REGULATION: ARTICLE IX, SECTION 9.7 OF THE KANE COUNTY ZONING ORDINANCE

Date 03/24/2016
Ronald Schambach  
Rezoning from F-District Farming to R-3 District One Family Residential

Special Information: In 2004 the State took a portion of Mr. Schambach’s property for roadway purposes. The reduction rendered the property in violation of the Zoning Ordinance for residential use. Mr. Schambach is seeking a rezoning so he can bring the property back into conformance, which he would like to someday sell.

Analysis: The Kane County 2040 Land Resource Management Plan designates this area as a Resource Management Area. Under the 2040 Plan, Resource Management is a land use category that provides county growth opportunities while emphasizing wise management of land and water resources. The purpose of Resource Management is to provide opportunities for the implementation of Smart Growth development that respects the character and carrying capacity of the land.

Staff recommended Finding of Facts:

1. The rezoning will bring the residential use back into conformance with the Kane County Zoning Ordinance.
2. The existing residential use will not be intensified.
