Re: Proposed Text Amendments to the Kane County Zoning Ordinance regarding Adult-Use Cannabis Business Establishments for two options:
A) Prohibiting Adult-Use Cannabis Business Establishments in the unincorporated areas of Kane County
B) Allowing Adult-Use Cannabis Business Establishments in the unincorporated areas of Kane County

Background

- **State Law allowing Adult-Use Cannabis Business Establishments is effective January 1, 2020.** This law permits possession and consumption of certain amounts of cannabis and regulates the licensing and operations of cannabis businesses.

- **Local Governments may pass ordinances prohibiting the establishments of certain cannabis businesses in their jurisdiction.** Local units of government must adopt ‘opt out’ ordinances prohibiting such businesses within one year of the effective date of the statute or they are limited to adopting ‘opt out’ provisions via local referendum. Please note that local governments may not prohibit the possession or consumption of certain amounts of cannabis; they may only regulate certain business aspects of its sale via reasonable zoning regulations.

- **The Kane County Board will be considering a Resolution to “Opt Out” and thereby prohibit Adult-use Cannabis Business Establishments in the unincorporated areas of Kane County at the Kane County Board meeting at 9:45 AM on November 12, 2019.** If the resolution to “Opt Out” and thereby prohibit Adult-use Cannabis Business Establishments in the unincorporated areas of Kane County is adopted at the Kane County Board meeting at 9:45 AM on November 12, 2019, then the Option A Proposed Text Amendments included in this memo will be the subject of the public hearing by the Kane County Zoning Board of Appeals at their meeting that same evening at 7:00 PM on November 12, 2019.
Local Governments may enact reasonable zoning restrictions pertaining to licensed cultivation centers, craft growers, processing organizations, and dispensaries. If the resolution to “Opt Out” and thereby prohibit Adult-use Cannabis Business Establishments in the unincorporated areas of Kane County is not adopted at the Kane County Board meeting at 9:45 AM on November 12, 2019, then the Option B proposed Text Amendments included in this memo will be the subject of the public hearing by the Kane County Zoning Board of Appeals at their meeting that same evening at 7:00 PM on November 12, 2019.

“OPTION A” draft text amendments reflect the additional definitions and language needed to prohibit Adult-use Cannabis Business in the unincorporated area of Kane County.

“OPTION B” draft text amendments incorporate the following approaches to zoning regulations for Adult-use Cannabis Business in the unincorporated area of Kane County.

The following possible approaches were considered by the Development Committee of the Kane County Board at their meeting on October 15, 2019. **Bolded text summarizes how the OPTION B draft text amendments addresses each approach.**

- Add definitions for adult –use cannabis businesses and advertising as adopted by the State. **Definitions included in the draft text amendments.**

- Amend other definitions, as appropriate, to keep adult-use cannabis businesses distinguished from other defined agricultural, processing and retail land uses. **Appropriate definitions amended in the draft text amendments.**

- Add the various types of adult-use cannabis businesses as “Special Uses” in the appropriate zoning districts. **Appropriate section of the zoning ordinance amended per the below chart.**

• Consider adding hours of operation to mirror State Statues. **The proposed text amendments limit business hours for dispensaries to between 6 a.m. and 10 p.m.**

• Consider limiting all or some types of business to the eastern six townships as a “zone” for cannabis business establishments due to public safety concerns discussed by Sheriff Hain. Specifically, Sheriff Hain indicated that the Sheriff’s office may not be able to adequately respond to major crimes in progress (as experienced in other states with legalized cannabis) in a timely manner given the geographic spread of the county. **The proposed text amendments include defining that all adult-use cannabis business establishments shall be located only in the unincorporated areas townships of Dundee, Elgin, St. Charles, Geneva, Batavia and Aurora. (eastern part of the County – see map)**

• Consider limiting the number of Adult-use Cannabis Dispenser Establishments. **The proposed text amendments include that there shall be no more than three (3) Dispensers in the Adult-Use Cannabis Business Establishments Zone.**

Proposed Cannabis Business Establishments Zone
All adult-use cannabis businesses shall be permitted as a special use as listed herein in various zoning districts subject to Section 4.8 Special Uses, and located only in the unincorporated areas in the townships of Dundee, Elgin, St. Charles, Geneva, Batavia and Aurora.

Option B: Allowing Adult-Use Cannabis Business Establishments in the unincorporated areas of Kane County

If the resolution to “Opt Out” and thereby prohibit Adult-use Cannabis Business Establishments in the unincorporated areas of Kane County is adopted at the Kane County Board meeting at 9:45 AM on November 12, 2019, then the Option A Proposed Text Amendments will be the subject of the public hearing by the Kane County Zoning Board of Appeals at their meeting that same evening at 7:00 PM on November 12, 2019.

If the resolution to “Opt Out” and thereby prohibit Adult-use Cannabis Business Establishments in the unincorporated areas of Kane County is not adopted at the Kane County Board meeting at 9:45 AM on November 12, 2019, then the Option B proposed Text Amendments will be the subject of the public hearing by the Kane County Zoning Board of Appeals at their meeting that same evening at 7:00 PM on November 12, 2019. These amendments will be based on approaches presented to the Development Committee of the Kane County Board at their meeting on October 15, 2019. See attached memo.
