Zoom and Live Stream- Capable

In accordance with the Governor's Executive Order 2020-07 Kane County Board Chairman Chris Lauzen is encouraging social distancing by allowing remote attendance to meetings scheduled. Instructions for participants viewing the Live Stream are on the County webpage. The Zoom meeting will be made available for staff, elected officials and department heads only. Chairman Lauzen is requesting that only staff and elected officials vital to the operation of the meeting be present in person. For your safety and others, please decide whether you wish to attend the meeting by phone. Business that can be postponed until a later date will be postponed, whenever possible. If anyone from the public would like to offer a comment to be considered at the Public Comment portion of the meeting, there will be an allotted time on the agenda for public comment; County Board rules of order will still apply; and written or emailed comments received by 4:00 p.m. the day prior will be made part of the record. We will make an appropriate effort to acknowledge public input within our normal limitations and add them to the record.
