## **ARTICLE I. RECOGNITION**

### **Section 1. Unit Description**

The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for the purpose of collective bargaining on matters relating to wages, hours, working conditions and other terms and conditions of employment for the following unit:

All full-time and part-time Court Security Officers. Excluded: Chief of Court Security, Court Security Supervisor and all other supervisory, managerial and confidential employees and all other employees excluded by the Illinois Public Employees Labor Relations Act and all employees within any existing collective bargaining units.

### **Section 2. New Classifications**

If a new position classification is created by the Employer, the Employer shall set the proper pay grade for the classification.

The Employer shall determine the proposed salary grade in relationship to:

- a. The job content and responsibilities attached thereto in comparison with the job content and responsibilities of other position classifications in the Employer's work force;
- b. Like positions with similar job content and responsibilities within the Kane County Government System if available otherwise to the Kane County Labor Market generally;
- c. Significant differences in working conditions to comparable position classifications.

If the Union does not agree with the determination of the proposed salary grade the Employer establishes under this paragraph, then the Union shall within ten (10) days request a meeting with the Employer to discuss the Employer's action. The Employer shall thereafter meet with the Union and render a decision within twenty (20) calendar days. If the Union still disagrees with the decision of the Employer, they may submit the matter to Step IV of the Grievance Procedure within ten (10) days from receipt of the Employer's decision.

### **Section 3. Non-Bargaining Unit Personnel**

Non-Bargaining Unit Personnel may continue to perform bargaining unit work which is incidental to their jobs. However, they may perform bargaining unit work in emergency situations and where such work is necessary to train a bargaining unit employee. Such work by said personnel shall not cause any layoffs of the bargaining unit employees. Nothing in this paragraph is intended to alter or reduce the Employer's Management Rights.

#### **Section 4. Short-Term Employees**

The Sheriff may continue to utilize the services of student interns or short-term employees to assist and supplement bargaining unit work in accordance with past practice and the Illinois Public Labor Relations Act.

#### **Section 5. Abolition, Merger or Change of Job Classification**

If the Employer determines to abolish, merge or change existing classifications, the Employer shall negotiate with the Union over the impact of such. Such negotiations shall include good faith impact bargaining as required under the Illinois Public Labor Relations Act. The Parties agree that a change in job title in the bargaining unit shall not remove the job position from the bargaining unit as long as the type of work performed by the position remains essentially the same.

#### **Section 6. Job Audit/Reclassification**

Any employee who believes that he/she is performing work outside his/her job description shall be granted a job audit on the work being performed. A written request for a job audit or reclassification will be submitted through the Union and a written decision returned by management within 60 days. If the job audit creates a reclassification for that employee, the affected employee(s) shall receive any retroactive increase in pay that was created by the reclassification.

### **ARTICLE II. PROBATIONARY EMPLOYEES**

Employees shall be "probationary employees" for one (1) year. No matter concerning the discipline, layoff, transfer or termination of a probationary employee shall be subject to the grievance and arbitration procedures. A probationary employee shall have no seniority except as otherwise provided in this Agreement, until he/she has completed his/her probationary period. Upon completion of his/her probationary period, he/she will acquire seniority from his/her date of hire.

### **ARTICLE III. SAVINGS CLAUSE**

If any provision of this Agreement or any application thereof should be rendered or declared unlawful, invalid, or unenforceable by virtue of any judicial action, the remaining provisions of this Agreement shall remain in full force and effect. In such event, upon the request of either party, the parties shall meet promptly and negotiate with respect to substitute provisions for those provisions rendered or declared unlawful, invalid, or unenforceable.

## **ARTICLE IV.**

### **UNION SECURITY**

#### **Section 1. Union Membership Definition**

For the purpose of this section, an employee shall be considered to be a member of the Union if the employee tenders to the Employer a validly executed written membership form required by the Union as a condition of membership.

#### **Section 2. Dues Check Off**

The Employer agrees, upon receipt of a validly executed written authorization card, to deduct Union dues and fees from the payroll checks of all employees so authorizing the voluntary deduction in the amount set by the Union, and to forward such deductions to the Union, at an address designated in writing to the Employer, within thirty (30) calendar days after close of the pay period for which the deductions are made. Nothing contained in this Section shall be construed to mandate membership in the Union or require the payment of dues/fees without authorization from the employee. All authorized voluntary deductions shall be made in accordance with the law. The Union shall advise the Employer of the deduction rate and any increase in dues or other approved deductions in writing at least thirty (30) days prior to its effective date.

#### **Section 3. New Employees**

The Employer shall provide to the Secretary-Treasurer and the President of the Union within thirty (30) days, name, address, email address, classification, rate of salary and starting date of any new employee hired into the Union's bargaining unit. The Employer shall allow a representative of the Union to meet with new employees within thirty (30) days of hire to discuss the benefits of Union membership. The Employer shall provide a private meeting space and shall schedule meetings at a mutually agreeable time during the new employees' regularly scheduled work day. Employees shall not suffer a loss in pay for attendance at these meetings.

#### **Section 4. D.R.I.V.E.**

The Employer agrees to deduct from the pay of those unit employees who individually request it in writing, voluntary contributions to D.R.I.V.E. D.R.I.V.E. shall notify the Employer of the amounts designated by each contributing unit employee that are to be deducted from the unit employee's paycheck on each payday by providing a copy of the employee's executed written authorization at least thirty (30) days prior the effective date, and provided that all unit employees contribute in the same amount. The Employer shall transmit such deductions to the D.R.I.V.E. National Headquarters (DRIVE., International Brotherhood of Teamsters 25 Louisiana Avenue, NW, Washington D.C. 20001) on a monthly basis within thirty (30) calendar days after close of the pay period for which the deductions are made, along with the name of each unit employee on whose behalf a deduction is made, the unit employee's identification number and the amount deducted from the unit employee's paycheck. All authorized voluntary deductions shall be made in accordance with the law.

**Section 5. Teamsters Local 700 Benevolent Fund**

The Employer agrees to deduct from the pay of those employees who individually request it in writing, voluntary contributions to the Teamsters Local 700 Benevolent Fund ("Benevolent Fund"). Such voluntary deductions shall be made in accordance with law. The Union shall advise the Employer of the deduction rate by providing a copy of the employee's written authorization at least thirty (30) days prior to the effective date. Such deductions will be forwarded to the Union, at an address designated in writing to the Employer, within thirty (30) calendar days after close of the pay period for which the deductions are made.

**Section 6. Notice and Appeal**

The Union agrees to provide notices and appeal procedures to employees in accordance with applicable law.

**Section 7. Indemnification**

The Union shall indemnify, defend, and hold the Employer harmless against any claim, demand, suit or liability arising from any action taken by the Employer in complying with this Article.

**ARTICLE V.  
INDEMNIFICATION**

The Employer shall defend and indemnify the employees according to terms of the applicable statutes of the State of Illinois.

**ARTICLE VI.  
NON-DISCRIMINATION**

**Section 1. Prohibition Against Discrimination**

Both the Employer and the Union agree not to illegally discriminate against any employee on the basis of race, sex, creed, religion, color, marital or parental status, age, national origin, political affiliation, disability, or veteran status; provided, however, that all personnel of the Sheriff must at all times support and defend the Constitution and laws of the United States, State of Illinois and laws promulgated therefrom.

**Section 2. Union Membership or Activity**

Neither the Employer nor the Union shall interfere with the right of employees covered by this Agreement to become or not become members of the Union, and there shall be no discrimination against any such employees because of lawful Union membership or non-membership activity or status.

Section 3. **Equal Employment/Affirmative Action**

The parties recognize the Employer's obligation to comply with federal and state Equal Employment and sex discrimination laws applicable to the Sheriff.

**ARTICLE VII.**  
**NO STRIKE OR LOCKOUT**

Section 1. **No Strike Commitment**

Neither the Union nor any bargaining unit employee will call, initiate, authorize, participate in, sanction, encourage, or ratify any work stoppage, slowdown, or the concerted interference with the full, faithful, and proper performance of the duties of employment with the Sheriff during the term of this Agreement. No bargaining unit employee shall refuse to cross any picket line, by whomever established.

Section 2. **Performance of Duty**

It is recognized that employees covered by this Agreement may be required in the line of duty to perform duties growing out of or connected with labor disputes which may arise within the County. The Union agrees that no disciplinary action or other action will be taken by the Union against any employee or employees covered by this Agreement by reason of any such action or conduct in the line of duty.

Section 3. **Resumption of Operations**

In the event of action prohibited by Section 1 above, the Union immediately shall disavow such action and request the employees to return to work, and shall use its best efforts to achieve a prompt resumption of normal operations. The Union, including its officials and agents, shall not be liable for any damages, direct or indirect, upon complying with the requirements of this Section.

Section 4. **No Lockout**

No lockout of employees shall be instituted by the Employer during the term of this Agreement.

**ARTICLE VIII.**  
**SENIORITY**

Section 1. **Definition**

For the purpose of this agreement the following definitions shall apply:

County-wide Seniority means an employee's uninterrupted employment with the County since their last date of hire as listed in Appendix A.

a. Classification Seniority means the length of uninterrupted employment an employee has in their current classification. Where employees have the same classification seniority date, any such tie shall be broken at the time of hire or promotion by drawing lots.

b. Office Seniority means the length of uninterrupted employment an employee has in the Sheriff's Office.

(Part-time employees shall receive seniority on a prorated basis.)

## **Section 2. Loss of Seniority**

An employee shall lose his/her applicable seniority in accordance with Section 1 and no longer be an employee if:

1. He/she resigns or quits by giving an official letter of resignation.
2. He/she is discharged for just cause unless reversed through the Grievance or Arbitration Procedure or the Merit Commission, whichever is applicable.
3. He/she retires
4. He/she does not return to work from layoff or authorized leave of absence within ten (10) calendar days after being notified by certified mail to return.
5. He/she has been on layoff for a period of time equal to his/her seniority at the time of his/her layoff or two (2) years, whichever is greater.
6. Accepts "gainful employment" that is inconsistent with the purpose of the authorized leave while on an approved leave of absence from the Sheriff's Office.

## **Section 3. Seniority List**

The Sheriff and Union have agreed upon the initial seniority list setting forth the present seniority dates for all employees covered by this Agreement and shall become effective on or after the date of execution of this Agreement. Such lists shall resolve all questions of seniority affecting employees covered under this Agreement or employed at the time the Agreement becomes effective. Disputes as to seniority listing shall be resolved through the grievance procedure. The initial agreement is attached hereto as Appendix A and made a part thereof.

## **Section 4. Seniority While on Leave**

Employees will not continue to accrue seniority credit for all time spent on authorized unpaid leave of absence beyond three months except for authorized leave due to circumstances beyond the control of the employee such as medical leave, military leave, etc.

**ARTICLE IX.**  
**LAYOFF AND RECALL**

**Section 1. Procedure for Layoff**

1. When employees are removed from a classification for the purpose of reducing the work force of that classification, the employee with the least seniority in the affected classification and bargaining unit shall be removed first. For the purpose of this Article persons of different rank shall be considered to be in separate classifications.

2. A removed employee shall be transferred, conditioned upon being qualified to perform the work available in the following order or priority:

- a. To a vacancy, if any, in another classification in the same pay grade within the same bargaining unit;
- b. To replace an employee with less seniority, if any, in another classification in the same pay grade within the same bargaining unit;
- c. To a vacancy, if any, in a classification assigned to the next lower pay grade with the same bargaining unit;
- d. To replace an employee with less seniority, if any, in a classification assigned to the next lower pay grade within the same bargaining unit.

3. A removed employee not transferred as provided in 2 above shall have the procedure set forth in 2c above applied to classifications assigned to each succeeding next lower pay grade until he/she is transferred or laid off.

4. The procedure set forth in 2 and 3 above shall be applied for an employee who is replaced as a result of the application of the above procedure until he/she is transferred or laid off.

5. In applying the procedures set forth 2, 3, and 4 above, a removed or replaced full-time employee shall be transferred to another full-time position. A removed or replaced part-time employee shall be transferred to either a full-time or part-time position.

6. In applying the above procedures, full-time probationary employees shall be removed from the affected classification or replaced, as the case may be, prior to removing or replacing full-time, non-probationary employees, and part-time probationary employees shall be removed or replaced prior to removing or replacing part-time, non-probationary employees.

7. Temporary employees shall be laid off prior to the layoff of any full-time or part-time employees

**Section 2. Procedure for Recall**

An employee with seniority who has been laid off or transferred as a result of a layoff shall be recalled to work, conditioned upon ability to perform the work available, in accordance with

the reverse application of the procedure for layoff. Recall rights shall continue for two (2) years after an employee has been laid off. No new employees at all shall be hired until all employees on layoff desiring to return to work shall have been given the opportunity to return to work.

In the event of recall, eligible employees shall receive notice of recall either by actual notice or by certified mail, return receipt requested. It is the responsibility of all employees eligible for recall to notify the Sheriff of their current address. Upon receipt of the notice of recall, employees shall have five (5) working days to notify the Sheriff of their acceptance of the recall. The employee shall have five (5) working days thereafter to report to duty.

### **Section 3. Notice**

The Employer shall notify the Union thirty (30) days prior to the intended effective date of a planned layoff. The Employer and the Union will discuss alternatives to the layoff if put forth by the Union.

Any employee to be laid off will be notified thirty (30) calendar days prior to the effective date.

## **ARTICLE X.** **GRIEVANCE PROCEDURE**

### **Section 1. Grievance**

A Grievance is defined as a dispute or disagreement as to the interpretation and application of any provision in this Agreement. Grievances may be processed by the Union on behalf of an employee or on behalf of a group of employees or itself setting forth name(s) or group(s) of the employee(s). Either party may have the grievant or one grievant representing group grievant present at any step of the grievance procedure. The resolution of a grievance filed on behalf of a group of employees shall be made applicable to the appropriate employees within that group. Nothing in this Article is designed to alter a superior officer's duties in the chain of command.

Business days shall include the weekdays of Monday through Friday, excluding holidays or other days the Sheriff's Office administrative functions are closed.

### **Section 2. Grievance Steps**

#### **Step 1. Court Security Lieutenant**

The Employee and/or the Union shall orally raise the grievance with the Court Security Lieutenant. The employee shall inform the Court Security Lieutenant that this discussion constitutes the first step of the grievance procedure. All grievances must be presented not later than ten (10) business days from the date the grievant became aware of the occurrence giving rise to the complaint. The Court Security Lieutenant shall render an oral response to the grievance within ten (10) business days after the grievance is presented. If the oral grievance is not resolved at Step 1, the Court Security Lieutenant shall sign the written statement of grievance prepared for submission at Step 2 acknowledging discussion of grievance. In those circumstances where securing the signature of the Court Security Lieutenant who is physically not available to sign

would have adversely affected a timely submittal to the second level, the grievance will be submitted to the second level without such signature. A copy of the grievance shall subsequently be provided to the Court Security Lieutenant for such signature. The parties recognize that variations from the Court Security Lieutenant, where mutually agreeable, may exist. The Union is entitled to be present at any grievance meeting and any grievance settlement should not conflict with this Contract.

### **Step 2. Undersheriff/Chief Deputy**

In the event the grievance is not resolved in Step 1, it shall be presented in writing by the Union to the Undersheriff/Chief Deputy or his/her designee within five (5) business days from the receipt of the answer or the date such answer was due, whichever is earliest. Within five (5) business days after the grievance is presented to Step 2, the Undersheriff/Chief Deputy shall render a written answer to the grievant and provide a copy of such answer to the Union. The written grievance shall be on an agreed form which shall be provided by the Employer in adequate amounts to the Union. The written grievance shall contain a statement of the grievance's complaint, the section(s) of the Agreement allegedly violated, if applicable; the date of the alleged violation, if applicable, and the relief sought. The form shall be signed and dated by the grievant. Improper grievance form, date, or section citation shall not be grounds for denial of the grievance.

### **Step 3. Sheriff**

If the grievance is still unresolved, it shall be presented by the Union to the Undersheriff or his/her designee in writing within five (5) business days after receipt of the Step 2 response or after the Step 2 response is due, whichever is earliest, or within five (5) business days after the Step 1 response, or after Step 1 response is due, if Step 2 is not applicable.

Within five (5) business days after receipt of the written grievance the parties shall meet or hold other discussions in an attempt to solve the grievance unless the parties mutually agree otherwise. The Sheriff or designee shall give his/her written response within five (5) business days following the meeting.

If no meeting is held, the Sheriff or his/her designee shall respond in writing to the grievance within five (5) business days of receipt of the grievance.

### **Step 4. Arbitration**

If the grievance is still unsettled, and the Union wishes to proceed to arbitration, the grievance must be presented to arbitration within fifteen (15) business days after the receipt of the Step 3 response or the date the response was due, whichever is earlier. The Union shall notify the Sheriff in writing of the intent to go to arbitration.

Upon request of either party, the parties may meet within ten (10) business days after receipt of the Step 3 response or the date the response was due for the purpose of conducting a pre-arbitration conference to attempt to resolve the grievance prior to requesting arbitration.

If arbitration is requested, representatives of the Sheriff and the Union shall meet to select an arbitrator. If the parties are unable to agree on an arbitrator within the five (5) business days,

the parties shall request the Federal Mediation and Conciliation Service to submit a list of seven (7) arbitrators. The parties shall alternately strike the names of three (3) arbitrators, taking turns as to the first strike. The person whose name remains shall be the arbitrator, provided that either party, before striking any names, shall have the right to reject one (1) panel of arbitrators. The arbitrator shall be notified of his/her selection by a joint letter from the Sheriff and the Union, requesting that he/she set a time and place for the hearing, subject to the availability of the Sheriff and Union representatives and shall be notified of the issue where mutually agreed by the parties.

### **Arbitration Procedures**

Both the parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator.

The Employer or Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its own witnesses who are not employees of the Employer.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or if such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute. The arbitrator shall neither amend, modify, nullify, ignore, add nor subtract from the provisions of the Agreement.

The expenses and fees of the arbitrator and the cost of the hearing room shall be shared equally by the parties. Nothing in this Article shall preclude the parties from agreeing to use expedited arbitration procedures.

The decision and award of the arbitrator shall be final and binding on the Employer, the Union, and the employee or employees involved.

If either party desires a verbatim record of the proceeding, it may cause such a record to be made, providing it pays for the record and makes a copy available without charge to the arbitrator. If the other party desires a copy it shall pay for the cost of its copy.

### **Section 3. Time Limits**

a. Grievances may be withdrawn at any step of the Grievance Procedure. Such withdrawal shall not constitute a decision on the merits of the Grievance. Grievances not raised or appealed within the designated time limits will be barred.

b. The time limits at any step or for any hearing may be extended by mutual agreement of the parties involved at that particular step.

c. Failure to respond within the time limits by the designated person shall automatically advance the grievance to the next step.

#### **Section 4. Time Off, Meeting Space and Telephone Use**

a. Time Off: The grievant(s) and/or Union grievance representative will be permitted reasonable time without loss of pay during their work hours to investigate and process grievances. A grievant who is called back on a different shift or on his/her day off as a result of the Sheriff scheduling a grievance meeting shall have such time spent in the meeting considered as time worked. Witnesses whose testimony is pertinent to the Union's presentation or argument will be permitted reasonable time without loss of pay to attend grievance meetings and/or respond to the Union's investigation. No employee or Union representative shall leave his/her work to investigate, file or process grievances without first notifying and receiving permission from his/her supervisor or designee as well as the supervisor of any unit to be visited, and such permission shall not be denied unreasonably. Employees attending grievance meeting shall normally be those having direct involvement in the grievance.

b. Meeting Space and Telephone Use: Upon request, the employee and Union representative shall be allowed the use of an available appropriate room while investigating or processing a grievance; and, upon prior general approval, shall be permitted the reasonable use of telephone facilities for the purpose of investigating or processing grievances. Such use shall not include any long distance or toll calls at the expense of the Employer.

#### **Section 5. Advanced Grievance Step Filing**

Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may be mutual agreement by filed at the appropriate advance step where the action giving rise to the grievance was initiated. Mutual agreement shall take place between the appropriate Union representative and the appropriate Employer representative at the step where it is desired to initiate the grievance.

#### **Section 6. Pertinent Witnesses and Information**

Either Party may request the production of specific documents, books, papers or witnesses reasonably available from the other party and substantially pertinent to the grievance under consideration. Such request shall not be unreasonably denied, and shall be in conformance with applicable laws, and rules issued pursuant thereto, governing the dissemination of such materials. This paragraph is not applicable to Step 1 of the grievance procedure. Requests made pursuant to this section by the Union may only be initiated by the Union President or his designee.

#### **Section 7. Grievance Procedure Re-Opener**

The parties agree, during the term of this Agreement, that the technical language of this Article may be modified based on agreements reached by the Sheriff in negotiations with other bargaining units.

## **ARTICLE XI.**

### **DISCIPLINE AND DISCHARGE**

#### **Section 1. Discipline and Discharge**

The parties recognize the principles of progressive and corrective discipline.

Disciplinary action or measures shall include the following:

1. Oral Reprimand
2. Written Reprimand
3. Suspension (notice to be given in writing)
4. Discharge (notice to be given in writing)

Disciplinary action may be imposed upon an employee only for just cause.

If the Sheriff has reason to reprimand an employee, it shall be done in a discrete manner that will not embarrass the employee before other employees or the public.

Employees must sign for receipt of oral and written reprimands but the signature does not indicate that employees are in agreement with the discipline.

#### **Section 2. Limitation**

The Sheriff's agreement to use progressive and corrective disciplinary action does not prohibit the Sheriff in any case from imposing discipline which is commensurate with the severity of the offense. The Sheriff shall notify both the employee and Union of disciplinary action. Such notification shall be in writing and shall reflect the specific nature of the offense.

#### **Section 3. Pre-Disciplinary Meeting**

For discipline other than oral and written reprimands, prior to imposing the contemplated discipline on the employee, the Sheriff or his/her designee shall meet with the employee involved and inform the employee of the contemplated discipline and the reason thereof. The employee shall be informed of his contract rights to Union representation and shall be entitled to such, if so requested by the employee, and the employee and Union representative shall be given the opportunity to rebut or clarify the reasons for such discipline and further provided that a Union representative shall be available within twenty-four (24) hours of notification. If the employee does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings, provided that said Union representative must be available when the meetings take place within 24 hours after notice.

#### **Section 4. Investigative Interviews**

Where the Sheriff or his designee desires to conduct an investigative interview of an employee where the results of the interview might result in discipline, the Sheriff agrees to first

inform the employee that the employee has the right to Union representation at such interview. If the employee desires such Union representation, no interview shall take place without the presence of a Union representative. The role of the Union representative is limited to assisting the employee, clarifying the facts and suggesting other employees who may have knowledge of the facts. If the employee does not request Union representation, a Union representative shall nevertheless be entitled to be present as a non-active participant at any and all such meetings provided that a Union representative is available within 24 hours' notice from Sheriff to the Union.

#### **Section 5. Removal of Discipline**

Records of discipline other than suspensions shall be removed from the employee's personnel file if two (2) years pass from the date of the offense without the employee receiving discipline for the same offense unless the employee is subject of ongoing progressive discipline.

Records of discipline concerning suspensions shall be removed from the employee's personnel file if five (5) years pass from the date of the offense without the employee receiving discipline for the same offense unless the employee is the subject of ongoing progressive discipline.

#### **Section 6. Limitation of Grievance Procedure**

Oral or written reprimands shall be subject to the grievance procedure through step three thereof but shall not be subject to arbitration.

#### **Section 7. Merit Commission**

Sheriff's Merit System Employees covered under this Agreement shall be disciplined pursuant to Section 3-8013 of the Sheriff's Merit System Law, 55 ILCS 5/3-8013 (2011) subject to the alternative grievance review provisions provided in this Agreement.

In the event charges are referred to the Merit Commission, the employee shall have the option of waiving a hearing before the Merit Commission and shall then be disciplined by the Sheriff subject to the contractual grievance appeal procedure. To effectuate this election, the following procedure shall be utilized:

1. Within ten (10) business days of the employee receiving a copy of the charges referred to the Merit Commission and the entire investigation file relating to the charges, the Union will advise the Sheriff and the Merit Commission of the employee's election under this Section to waive his or her right to a Merit Commission review and/or hearing and proceed, instead, in accordance with the grievance/arbitration provisions of Article 10 of this Agreement, upon the issuance of discipline by the Sheriff. Such notice shall be in writing and shall include a written waiver, executed by the employee, acknowledging that the employee is knowingly waiving his or her rights to a hearing before the Merit Commission. If no such notice/waiver is provided within the ten (10) business days, the employee and the Union shall be deemed to have elected to proceed under the rules of the Merit Commission and all rights under Article 10 shall be deemed waived.

2. Upon receipt of a notice from the Union that the employee is electing to proceed under the grievance/arbitration provisions of Article 10, the Sheriff's Office will withdraw the charges before the Merit Commission. Thereafter, the Sheriff or his designee will make a determination regarding discipline.
3. Once discipline is issued by the Sheriff or his designee, the employee, or the Union, as applicable, may grieve the discipline, as provided in Article 10 of the CBA commencing at Step 4. The filing of said grievance shall serve as a Request for Arbitration under Step 4 of the grievance procedure.

In the event the Sheriff's Merit System Law is amended in a manner which nullifies the rights of parties to a collective bargaining agreement to negotiate, pursuant to Section 3-8013 of the Sheriff's Merit System Law, an alternative disciplinary review process, or which makes the alternative grievance review provisions contained in this section illegal, either party may request to immediately re-negotiate the terms of this section. Any impasse resulting in such negotiation shall be resolved in accordance with the provisions of Section 14 of the Illinois Labor Relations Act.

#### **Section 8. Suspension Day Defined**

A suspension day is a twenty-four hour period during which an employee was scheduled to work a regular tour of duty but has been ordered not to report for duty. If the suspension is administrative in nature, the employee will be paid for the time as if he or she had worked. If the suspension is disciplinary in nature, the employee will have his or her pay docked the appropriate amount.

#### **Section 9. Limitation of the Suspension Period**

During any suspension period, defined as the period between the first and final actual suspension days (inclusive), an employee may not work for paid overtime, providing the duration of the suspension period is not more than four times the number of actual suspension days. The suspension period shall start not more than 15 days from the date of the pre-disciplinary hearing.

### **ARTICLE XII.** **PERSONNEL FILES**

#### **Section 1. Personnel Files**

The Sheriff shall keep a central personnel file for each employee within the bargaining unit. The Sheriff is free to keep working files, but material not maintained in the central personnel file may not provide the basis for disciplinary or other action against an employee.

#### **Section 2. Inspection**

Upon request of an employee, the Sheriff shall reasonably permit an employee to inspect his personnel file subject to the following:

- a. Such an inspection shall occur within two business days following receipt of the request. The Sheriff or his designee may be present during such inspection;
- b. Such inspection shall only occur during daytime office staff working hours Monday through Friday upon written request;

### **Section 4. Limitation on Use of File Material**

It is agreed that any material not available for inspection, such as provided in Sections 1 and 2 above, shall not be used in any manner or any forum adverse to the employee's interest.

### **Section 5. Personnel Record Correction**

If the employee disagrees with any information contained in the personnel record, a removal or correction of that information may be mutually agreed upon by the employee and Sheriff. The employee may submit a written statement explaining the employee's position, which shall be attached to the personnel record.

### **Section 6. Confidentiality of Records**

The Employer Agrees to keep the Employee's Personnel Record confidential and will not release any information from this record (1) without the Employee's written approval or a court order requiring the release of the information, or (2) unless release or disclosure of said information is required by statute, regulation or common law, e.g., without limitation, as required under the Freedom of Information Act ("FOIA"), 5 ILCS 140/1 et seq., or any other applicable law. The Sheriff will notify the employee upon receipt of a court order for a personnel file. The Sheriff's Office also agrees to exert applicable exemptions under FOIA should the Office receive a FOIA request for personnel files.

**ARTICLE XIII.**  
**EMPLOYEE DEVELOPMENT & TRAINING**

**Section 1.      Orientation**

The Sheriff and the Union recognize the need for the training and development of employees in order that services are efficiently and effectively provided and employees are afforded the opportunity to develop their skills and potential. In recognition of such principle the Sheriff shall endeavor to provide employees with reasonable orientation with respect to current procedures, forms, methods, techniques, materials, and equipment normally used in such employees' work assignments and periodic changes therein, including, where available and relevant to such work, procedural manuals.

**Section 2.      Time Off**

If, because of changes in certification, accreditation or licensure, employees are required by the Sheriff to take courses so as to retain their present position classification, such employees shall be granted reasonable time for such without loss of pay.

**ARTICLE XIV.**  
**LABOR-MANAGEMENT COMMITTEE**

**Section 1.      Labor Management Conferences**

The Union and the Sheriff mutually agree that in the interest of efficient management and harmonious employee relations, it is desirable that meetings be held between Union representatives and responsible administrative representatives of the Sheriff. Such meetings may be requested at least seven (7) days in advance by either party by placing in writing a request to the other for a labor management conference and expressly providing the agenda for such meetings. Such meetings and locations shall be limited to:

- a.      Discussion of the implementation and general administration of this Agreement.
- b.      A sharing of general information of interest to the parties.
- c.      Notifying the Union of changes in non-bargaining conditions of employment contemplated by the Sheriff which may affect employees.

The sheriff and the Union agree to cooperate with each other in matters of administration of this Agreement, and to the degree that standards of law enforcement can be maintained for the maximum protection of the citizens of the State of Illinois.

To effectuate the purposes and intent of the parties, both parties agree to meet on the first payday of the months of January, April, July and October, unless mutually agreed otherwise.

**Section 2. Integrity of Grievance Procedure**

It is expressly understood and agreed that such meetings shall be exclusive of the grievance procedure.

**Section 3. Union Representative Attendance**

## **ARTICLE XVI.** **VACATIONS**

### Section 1.     **Accrual**

All employees shall earn paid vacation in accordance with the schedule below. Part time employees shall receive vacation time proportionate to the average hours worked. Employees shall accumulate vacation based on countywide seniority. Accrual and use of vacation time is based on the fiscal year, December 1 through November 30.

1.     From hire date through the end of the fiscal year, vacation time is earned at a rate of .833 days per month ( $.833 \times 12 = 10$ ) to determine the number of vacation days accrued for the following fiscal year. Any fraction of accrued vacation days will be converted to the nearest whole day using standard mathematical rounding (.49 or lower to be rounded down and .50 and higher to be rounded up). At the start of the second fiscal year following an employee's start date to five years of service, the employee will receive a total of ten (10) vacation days during that fiscal year. Vacation time is earned at a rate of .833 days per month ( $.833 \times 12 = 10$ ) to determine the number of vacation days accrued for the following fiscal year.

2.     At the completion of four (4) years of service, vacation time is earned at a rate of 1.25 days per month ( $1.25 \times 12 = 15$ ). During the fiscal year in which the employee completes five (5) years of service, the employee will receive five (5) additional vacation days upon the anniversary of his/her hire date. At the start of the fiscal year immediately following the completion of five (5) years of service, the employee will receive a total of fifteen (15) vacation days for use in that fiscal year.

3.     At the completion of nine (9) years of service, vacation time is earned at a rate of 1.66 days per month ( $1.66 \times 12 = 20$ ). During the fiscal year in which the employee completes ten (10) years of service, the employee will receive five (5) additional vacation days upon the anniversary of his/her hire date. At the start of the fiscal year immediately following the completion of ten (10) years of service, the employee will receive a total of twenty (20) vacation days for use in that fiscal year.

4.     At the completion of twenty-four (24) years of service, vacation time is earned at a rate of 2.08 days per month ( $2.08 \times 12 = 25$ ). During the fiscal year in which the employee completes twenty-five (25) years of service, the employee will receive five (5) additional vacation days upon the anniversary of his/her hire date. At the start of the fiscal year immediately following the completion of twenty-five (25) years of service, the employee will receive a total of twenty-five (25) vacation days for use in that fiscal year.

## **Section 2. Use**

Vacation time may be taken in increments of not less than one hour increments at a time subject to accrual as outlined above. Vacation time must be used prior to November 30 of each year or it will be forfeited. In certain extraordinary circumstances, unused vacation time may be carried over if specifically authorized by the Employer. Vacation time that is carried over will be used based on the operational needs of the Office, and must be taken within 60 days.

Employees who by length of continuous service are entitled to fifteen (15) or more days of vacation may request the following:

After accrual of fifteen (15) days of vacation, a maximum of five (5) days may be turned back in to be paid at straight time in lieu of time off. After accrual of twenty (20) days of vacation, a maximum of ten (10) days may be turned back in to be paid at straight time in lieu of time off. Employees who are selling back vacation time must indicate in writing their intent to do so by July 1 of the applicable fiscal year.

## **Section 3. Vacation Schedules**

Subject to Section 4 and the Sheriff's operating needs, vacations shall be scheduled as requested by the employee.

## **Section 4. Vacation Periods Scheduled by Seniority**

A vacation period will be considered in increments of one or more full week(s) beginning at 0001 Sunday and ending at 2359 Saturday.

If and only if staffing levels are such that there are insufficient weeks in the Sheriff's Office fiscal year (December 1 – November 30) to schedule all weeks of vacation due employees assigned to that division, will more than one employee be allowed to schedule vacation the same week as another employee.

After completion of the shift bid process, the supervisor who is outside the bargaining unit will tally the total number of weeks of vacation due the employees on a shift.

Based on the above statement, the following vacation bid process will be adhered to:

Beginning October 1 and continuing for one month, employees may bid for vacation periods (one or more weeks) based on classification seniority. This will be done by filling in slots on a posted list of weeks in the following fiscal year (i.e., December 1 – November 30). Bids shall be submitted by employees in a timely manner, with employees receiving up to twenty-four hours to complete their bids. On or about the first week in November, the Court Security Lieutenant or his/her designee will review the posted list and finalize the seniority bid vacation lists. Conflicts in scheduling will be resolved in favor of the employee having the greatest classification seniority.

Vacation periods requested other than as described above shall be granted on a first-come first-served basis. Requests will be considered on the basis of calendar date of submission to and confirmed by the Court Security Lieutenant or his/her designee. Employees will be notified in writing as to the number of available vacation slots via posting of the vacation list and will be notified of the number of uncommitted vacation weeks still held by the employee via eSuite. It will be up to the employee to submit a request for any of the remaining available weeks or face the loss of vacation time when no open weeks remain in the fiscal year.

If an employee decides to remove his or her name from a scheduled vacation week or weeks, another employee may bid for the open slot and be granted the time based on classification seniority.

Once a vacation is approved and scheduled, an employee who is transferred non-voluntarily will be allowed to take that vacation even if a scheduling conflict develops.

#### **Section 5.      **Holidays****

When a scheduled holiday occurs during a scheduled vacation, an alternate day of vacation will be allowed.

#### **Section 6.      **Separation Pay****

Employees, or his/her estate in case of death, shall be compensated for all unused vacation time already accrued at the time they separate.

### **ARTICLE XVII.** **SICK LEAVE POLICY**

#### **Section 1.**

It is the policy of Kane County to provide protection for eligible employees against loss of income because of illness. To ensure that protection, the County has made provisions for both short-term and extended sick leave reserves. All regular full-time and regular part-time employees are eligible. Regular part-time employees earn sick leave proportionate to the average number of hours worked. Sick leave pay is based on the employee's regular straight-time rate in effect when the sick leave is taken. An employee may use extended sick leave whenever under the care of a physician.

#### **Section 2.      **Short-Term Sick Leave/Personal Day Accumulation****

"Sick leave year" is defined as the twelve (12) month period beginning December 1 of each year. Eligible employees who have completed twelve (12) months of continuous service as of December 1, of the applicable sick leave year, will be credited with five (5) days. Employees who have completed less than twelve (12) months of continuous service as of December 1 of the applicable sick leave year, will be credited with short-term sick leave at the rate of one day for

each remaining quarter within that year once they have completed six (6) months of employment with the Sheriff's Office.

### **Section 3. Short-Term Sick Leave/Personal Day Utilization**

An employee's short-term sick leave credit can be used for personal and family injury or illness, maternity, doctor and dentist appointments or personal days. Such leave may be used in increments of no less than one hour at a time. Any such use is subject to twenty-four (24) hours prior notification to the employee's supervising Lieutenant or his/her designee, if at all possible. Vacation pay cannot be substituted for short-term sick pay.

### **Section 4. Unused Short-Term Sick Leave/Carry Over and Payment at Termination**

Short-term sick leave will not accumulate from year to year. At the end of the sick leave year, all unused short-term sick leave for nonexempt employees will roll over into extended sick leave. Upon termination, nonexempt employees will be expected to pay back any and all short-term sick days used that were not previously earned, at a rate of one day for every quarter not worked. If a nonexempt employee terminates and has unused short-term sick leave, the employee will be paid at a rate of one day for every quarter worked in the benefit year provided the employee gives fourteen (14) calendar days' written notice to the employee's supervisor.

### **Section 5. Extended Sick Leave Accumulation**

Eligible employees will be credited with one day of extended sick leave per month after six (6) month probationary period is completed. Unused extended sick leave will carry over from year to year and may accumulate to a maximum of two hundred forty (240) days.

### **Section 6. Extended Sick Leave Utilization**

Extended sick leave may be used during periods of personal injury, illness or maternity until IMRF disability benefits begin. The IMRF disability benefit is payable after thirty (30) calendar days of disability and is equal to fifty percent (50%) of the employee's average monthly earnings during the preceding twelve (12) months.

An employee may utilize up to six (6) days of accrued extended sick leave per fiscal year for absences due to illness or injury of the employee's child, stepchild, spouse, domestic partner, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent or stepparent on the same terms upon which the employee is able to use extended sick leave days for his or her own absences. A doctor's certification is required to support the request to use extended sick leave to care for such family members.

Extended sick days run concurrently with Family and Medical Leave.

**Section 7. Payment for Unused Extended Sick Leave**

No payment for unused extended sick leave is made at termination. Retiring employees under IMRF qualify for up to one year of additional pension service for unused extended sick leave at the rate of one month for every twenty (20) days or fraction thereof. To qualify for this pension credit, the effective date of pension must be within sixty (60) days of termination. This additional pension service credit provision applies solely to employees retiring with an IMRF pension. Converted extended sick leave cannot be used to meet the requirements of a minimum of eight (8) years for an IMRF pension or thirty-five (35) years for a non-discounted pension under age sixty (60).

**Section 6. Meeting Place**

All meetings or hearings or other proceedings over which the parties have control shall be held in the Sheriff's complex in Kane County, Illinois, unless there is a reasonable basis to hold such meetings, hearings or other proceedings elsewhere.

## **ARTICLE XIX.** **LEAVES OF ABSENCE**

### Section 1. **Policy**

Leaves of absence may be granted to maintain continuity of service and to protect the employer-employee relationship in instances where circumstances require an employee's absence. Leaves of absence are required when the employee's absence, other than vacation, will extend beyond a two-week period. Leaves are granted based on each individual case and at the discretion of the Sheriff. Leaves of absence are without pay unless the Sheriff requires, or the employee elects with the Sheriff's approval, accrued sick pay, holiday pay, vacation pay or compensatory time be used during the leave of absence. A leave of absence will not be granted for the purpose of trying another job. Failure to return at the end of an approved leave may result in termination.

It is the Sheriff's policy to grant leaves of absence to eligible employees in accordance with all applicable federal and state laws. Where provisions of this Article conflict with any applicable federal or state law, the provisions of such law shall prevail.

### Section 2. **Eligibility**

Employees may be eligible for a leave of absence if they have worked for at least 12 months and for at least 1,250 hours during the year preceding the start of the leave of absence. Eligibility and entitlement to leaves of absences governed by state or federal law shall be determined in accordance with the provisions of the applicable law.

Subject to the policy statement above, employees may be eligible for up to twelve (12) work weeks of leave a year, which is based on a rolling 12-month period measured backward from the first date leave is used, unless otherwise required by law. In other words, each time an employee takes a leave, the remaining leave for which the employee may be eligible would be any balance of the 12 work weeks which has not been used during the immediately preceding 12 months.

Employees must give a 30 calendar day advance notice of the need to take a leave of absence when it is foreseeable. Foreseeable leaves include, but are not limited to, maternity/paternity leave, placement leave, military leave, educational leave, personal leave or planned medical treatment leave. Where it is not possible under the circumstances to provide advance notice, notice must be given as soon as possible.

B) Duration of Leave: The cumulative time off of a leave of absence shall not be longer than six months, unless otherwise required by law.

C) Extended Leave of Absence: Any leave over twelve work weeks in duration is considered an extended leave of absence. Employees in this extended period must contact the Sheriff at least 30 calendar days prior to their expected return to work, unless otherwise required by law. Every effort will be made to place the employee returning from an extended leave to the same or substantially similar position.

D) Health Care Coverage During a Leave of Absence: Group hospitalization coverage will continue for up to 6 months. The employee portion of the payment for this coverage must be received in the Human Resource Management Department no later than the 1st of each month during the leave of absence. A limited continuation option is available to eligible employees after this period under COBRA, a limited extension of health insurance coverage.

E) Vacation, Sick Pay Benefits and Holiday Pay: Sick pay credit and vacation time will not continue to accrue after the last day paid on any authorized leave of absence. Employees will be paid for holidays which fall during the period they are receiving pay from the County. The use of any leave will not result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### **Section 5. Procedure**

1. A "Request for Leave of Absence" form should be completed by the employee defining the reason for the leave, its duration, and the amount of vacation, compensatory time, holiday and sick pay to be used during the leave (if any).

2. This request should be submitted through the chain of command to the Bureau Commander, who, after recommending approval or disapproval, will forward the form to the Sheriff.

3. A medical certification and/or fitness for duty report is required upon commencing and returning from a family and medical leave or workers' compensation leave. Employees must provide medical certification within 15 calendar days of the request. Medical re-certification may be required at the County's expense.

#### **Section 6. IMRF Leave of Absence Authorization and Disability Benefits**

A) Employees who have a medical certification of a disability which may extend for 30 calendar days or more could be eligible for disability benefits under the Illinois Municipal Retirement Fund (see IMRF Disability Benefits). To be eligible, an employee must have 12 months or more of service credit with IMRF. Pregnancy is included as a disability under IMRF if the employee is eligible, and claims should be submitted in the same manner as other disability claims. The County's Human Resource Management Department should be contacted for the forms for application.

B) Employees participating under IMRF and on a leave of absence without pay from Kane County or disability pay under IMRF (i.e. family illness, placement leave) will not be protected for death or disability benefits during the unpaid period. A Benefit Protection Leave of Absence Authorization should be filed with IMRF before the leave commences. Death and disability benefits are reinstated immediately upon returning to work. Employees may establish service credits for retirement (not to exceed 12 months) for this leave by paying the employee contributions which would have been paid if actually working plus interest. The County Board must approve the acceptance of employer paid IMRF obligations. Forms are available in the Human Resource Management Department. Leaves of absence may be granted to maintain continuity of service and to protect the employer-employee relationship in instances where unusual circumstances require an employee's absence. Leaves are granted on the assumption that the employee will be available to return to regular employment when the conditions necessitating the leave permit.]

#### **Section 7. Worker's Compensation**

The Worker's Compensation law provides protection for employees experiencing occupational disabilities through accidents or by exposure to disease arising out of and in the course of employment.

A) When an employee suffers an on-the-job injury or exposure, whether or not medical attention is required, a "Report of Injury" form must be completed by the employee and forwarded to both the Insurance Coordinator and up the chain of command to the Bureau Commander as soon as possible.

B) All expenses involved with the treatment of the exposure or injury are covered by the Illinois Worker's Compensation Act. That Act provides payment of sixty-six and two-thirds of the employee's wages for lost time at work after a three-day waiting period. If the employee is off work for more than fourteen days because of a job-related injury or exposure, then the

employee will be compensated for the waiting period. In addition to this partial payment of wages pursuant to the Illinois Workers' Compensation Act (hereinafter referred to as "The Act"), employees with more than one year of service with the County will also receive a minimal amount of disability through IMRF.

The County, in addition to compliance with the Act, shall pay an additional one third of the average weekly wage to employees for the first thirty days that the employee is totally disabled. This is a voluntary payment by the County and by accepting such payments; employees shall recognize and will assist the County in enforcing its subrogation rights.

Nothing in this policy shall be construed as limiting or contravening the Public Employee Disability Act, 5 ILCS 345/1.

#### **Section 8. Jury Duty/Work-Related Court Duty**

Court leave shall be granted to employees who are called to jury duty or are required to be absent from work because of subpoena from any legislative, judicial, or administrative tribunal. Time away from work with pay shall be granted for such purposes. All compensation received for court or jury shall be remitted by the employees to the County Auditor, to be returned to the County Treasurer from which the original payroll warrant was drawn. The County feels that by volunteering to appear as a witness, an employee may create the impression that the County favors one litigant to the detriment of the other. Therefore, to avoid any suspicion of favoritism, County employees are instructed not to appear as a witness unless properly subpoenaed.

#### **Section 9. Funeral/Bereavement Leave**

In the event of a death in an employee's immediate family, the employee will be allowed up to three days leave with pay for the time actually lost. Immediate family members are defined as including the employee's children (including step and adopted), father, mother, current spouse, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents and grandchildren.

These days will not be deducted from sick pay. Employees must notify their immediate supervisor of the death, relationship to the deceased and expected time of absence. Any additional time off beyond three days will be granted at the sole discretion of the Sheriff or his designee and will be deducted from the employee's unused vacation time, personal/sick time or comp time.

In addition to the above provisions, the Illinois Child Bereavement Act provides that all eligible employees, as defined by the Family and Medical Leave Act of 1993, shall be entitled to use up to 2 weeks (10 working days) of unpaid bereavement leave to attend the funeral or alternative to a funeral of his or her child; make arrangements necessitated by the death of the child; or grieve the death of the child. In the event of the death of more than one child in a 12-month period, the employee is entitled to up to a total of 6 (six) weeks of bereavement leave during that 12-month period. All child bereavement leaves will be granted in accordance with the Child Bereavement Act. Leaves must be completed within 60 days after the date on which the employee receives notice of the death of the child.

In a year in which 27 pay periods shall occur, the bi-weekly rate of pay for each employee shall be 1/27th of the annual salary. When a payday falls on a holiday, the paycheck is distributed the preceding workday. Employees are encouraged to sign up for direct deposit of their paychecks through Payroll in the Human Resources Management Department.

If an employee does not utilize direct deposit for their regular payroll check as of April 1, 2019, that employee will continue to receive paper checks. The employee must complete one-year probationary period and wait for the subsequent date of the issuance prior to receiving uniform allowance. Until an employee receives the uniform allowance, the Sheriff's Office is responsible to supply and repair or replace, if damaged in the line of duty, at no cost to the employee, all items required for a proper uniform. In addition, the Employer shall supply one bullet proof vest for new full-time employees upon hire.

Part-time employees are not eligible to receive a uniform allowance. The Sheriff's Office may in its sole discretion issue or replace uniform pieces for part-time employees.

C. The County reserves the right to self-insure, change carriers and engage in cost containment measures during the term of this Agreement so long as the benefits and coverages sought are substantially similar to those being currently offered.

No other additional action on the part of any employee or spouse shall be required. The Employers agree that participation (or non-participation) in the Wellness Plan shall not be used in any way to initiate or support an employment action of any kind. Employees retiring under regular IMRF must be at least 55 years of age with at least eight (8) years of service. Sheriff's Law Enforcement Personnel (SLEP) members who retire (at any age) must have at least 20 years of SLEP credit.

The basis for the determination shall be set forth in writing to the employee ten (10) days prior to the time the employee is to undergo such testing. However, the ten (10) day notice shall be waived when the employee's conduct imminently or directly threatens the safety to self or others. In that case, a copy shall be given to the employee at the time the employee is ordered to undergo such evaluation.

All examinations and inquiries into an employee's fitness for duty shall be both job related and consistent with operational necessity and shall be no broader or more intrusive than deemed necessary by qualified, licensed and certified medical doctors, psychiatrists or psychologists.

An Employee shall have the right to inform the Union of the order after it is received and shall have the right to secure a similar fitness for duty evaluation at the employee's own expense from a qualified, licensed and certified medical doctor, psychiatrist or psychologist of their own choosing.

The Employee shall sign any and all releases or authorizations required by the medical doctor, psychiatrist, or psychologist, as the case may be, to release the information and evaluation obtained as a result of a fitness for duty evaluation to the Employer. The employee shall be informed of his/her contract rights to Union representation and shall be entitled to such, if so requested by the employee. For employees assigned to branch court positions and for part-time employees, overtime is defined as all pre-authorized work in excess of forty (40) hours per work week period.

Overtime work shall be rounded to the nearest quarter (1/4) hour. Time spent on sick leave, vacations or authorized leave shall not be considered hours worked in computing overtime. However, holidays and compensatory time off shall be considered hours worked in computing overtime. Overtime shall be paid at the rate of time and one-half an employee's base rate of pay.

#### **Section 2.      **General Provisions for All Employees****

a.      "The Workday and the Workweek" -- The normal workday shall consist of eight (8) consecutive hours to be broken at approximately mid-point by a meal period plus one (1) paid fifteen (15) minute rest period. The normal workweek shall consist of five (5) consecutive workdays followed by two (2) consecutive days off.

They shall then receive one (1) fifteen (15) minute rest period during the last half of their shift. Depending on the number of hours worked in a day, part-time employees will receive a rest period as mandated by law. Employees shall have the right to leave the work site for their approved meals and they will notify the Supervisor as to both their departure and arrival in the facility. The Employer will only deny this right when operations would be adversely impacted.

### **Section 3.      Scheduling Practices**

There will essentially be two “shifts,” “Day Shift” and “Afternoon/Evening Shift” with start times to accommodate the court schedule as set by the judiciary.

Employees will bid for shift preference based on classification seniority once per year or whenever duty assignments are changed as part of a regular rotation of assignment. The annual shift bid process shall be completed prior to the bidding for vacation periods as described in Article 16, Section 4 (October 1). It is required that officers bidding for the Afternoon/Evening Shifts be “Control Room certified.”

Alternative schedules and flex-time may be used for Branch Court assignments if agreed to by the Sheriff and the employee(s) involved. Decisions of the Sheriff regarding employee requests for alternative schedules or flex-time shall not be subject to the grievance procedure.

Part-time employees’ hours (up to three full-time equivalent positions, i.e., up to 120 hours per week) will be scheduled by management based on operational needs.

### **Section 4.      Overtime Procedure**

Voluntary overtime will be offered to the most senior officer at the beginning of each day, and continue to be offered in order of seniority until all overtime needs are filled.

Compulsory (ordered) overtime will be done in a reverse seniority method, starting with the least senior to the most senior. Each day the compulsory (ordered) overtime list will reset, and the least senior officer will be up for compulsory (ordered) overtime. In the case of exigent circumstances (i.e., employee illness, previously scheduled medical appointment, child care issues), an employee may seek relief from working the ordered overtime by finding an alternate employee to fulfill the overtime obligation; provided, however, the ordered employee shall be responsible for finding his/her replacement and notifying the supervisor who ordered the overtime. Employees who are ordered to work overtime, will on each such occasion, be paid a two (2) hour minimum at time and a half.

### **Section 5.      Compensatory Time**

Employees may choose to accumulate compensatory time at the applicable rate. Such compensatory time may accumulate up to two hundred and forty (240) hours per year. After the maximum accumulation has been reached, overtime in excess of forty (40) hours in a workweek shall be paid in cash at the rate of one and one-half (1-1/2) times the employee’s regular rate. All reasonable efforts will be made to accommodate an employee’s request to utilize accumulated compensatory time off.

**Section 6.      Scheduling of Single Vacation Days, Personal/Sick Days and Compensatory Time**

Provided the maximum number of employees permitted to be off on a single day, as described herein, has not been reached, an employee will be granted a single vacation day, personal/sick day or compensatory time off on a first come, first served basis. **Section 2.      Notice and Discussion**

Absent an emergency situation, prior to the Employer changing its policy involving the overall subcontracting of work in a bargaining unit area, when such change amounts to a significant deviation from past practice resulting in loss of work of bargaining unit employees, the Employer shall notify the Union and offer the Union an opportunity to discuss and participate in considerations over the desirability of such subcontracting of work, including means by which to minimize the impact of such on employees.

Prior to subcontracting of bargaining unit work, the Employer, the Union, and the proposed sub-contractor shall meet to discuss the employment of employees subject to layoff. The Employer will request that the sub-contractor hire laid off employees.

## **APPENDIX C DRUG AND ALCOHOL TESTING**

### **Section 1. Statement of Policy**

It is the policy of the Employer that the public has a reasonable right to expect the employees of the Sheriff's Office to be free from the effects of drugs and alcohol and have the physical stamina and emotional stability to perform their assigned duties. The Employer has the right to expect its employees to report for work fit and able for duty. The purposes of this policy shall be achieved in such manner as not to violate any rights of the employees established in this Agreement.

### **Section 2. Prohibitions**

Unless assigned to an investigative unit which requires the conduct set forth below, Sheriff employees shall be prohibited from:

- a. being under the influence of alcohol or illegal or illegally obtained drugs during the course of their workday;
- b. consuming or possessing alcohol, except as may be necessary in the performance of their duty, at any time during the workday, or anywhere on the Employer's premises or work sites, buildings or properties or any vehicle owned by the employer or any vehicle not owned by the Employer but used in service to the Employer;
- c. the unlawful manufacture, possession, use, sale, purchase, dispensation, or delivery of any illegal drug at any time and at any place except as may be necessary in the performance of duty;
- d. failing to report to their supervisor any adverse side effects of medication or prescription drugs that the employee knows could interfere with the performance of his or her job duties;
- e. intentionally tampering with, substituting for, or causing another person to tamper with, substitute for a urine and/or blood specimen.

Violation of the above-referenced prohibitions shall be cause for discipline, up to and including discharge.

### **Section 3. Drug and Alcohol Testing Permitted**

Testing is permitted where the Employer has reasonable suspicion to believe.

- a. that an employee is under the influence of alcohol or illegal drugs during the course of the workday;
- b. has abused prescribed drugs; or

- c. has used illegal or illegally obtained drugs.
- d. employee appears to be unable to perform his/her job safely.

The Employer shall have the right to require the employee to submit to alcohol or drug testing as set forth in this Agreement. The Employer may also require an employee to randomly submit to alcohol or drug testing where the employee is assigned to a departmental drug enforcement group for a period of at least thirty (30) days and where such employee's duties are primarily related to drug enforcement. The Employer may require any employee accepting an assignment requiring a commercial driver's license to submit to alcohol or drug testing as may be permitted by law. At least two supervisory personnel must state their reasonable suspicions concerning an affected employee prior to any direction to submit the employee to the testing authorized herein. The foregoing shall not limit the right of the Employer to conduct any tests it may deem appropriate for persons seeking employment with the Sheriff's Office, transfer or upon promotion to another position within the Office.

#### **Section 4. Order to Submit to Reasonable Suspicion Testing**

At the time an employee is directed to submit to testing as authorized by this Agreement, the Employer shall provide the employee with oral notice briefly outlining the reasonable suspicion leading to the request. Within seventy-two (72) hours of the time an employee is ordered to submit to testing authorized by this Agreement, the Employer shall provide the employee and the Union with a written notice setting forth the facts and inferences which form the basis of the order to test. Refusal to submit to such test may subject the employee to discipline, but the employee's taking of the test shall not be construed as a waiver of any objection or rights that he may possess.

#### **Section 5. Random Drug Testing**

- a. All employees of this bargaining unit will be subject to Random Drug Testing. Such testing will be during an employee's regularly scheduled shift.
- b. Upon notification that an employee is scheduled for Random Drug Testing, such employee will appear at the required location specified for the drug testing. **(See Drug Testing Locations Appendix D)**
- c. The employee must appear at the required location during their regularly scheduled shift, but not later than 6 hours from the time they receive the notice.
- d. The employee will be required to show a photo identification card to the testing agency upon their arrival to verify their true identity before the testing procedure will begin. If the employee does not have a photo ID then the on duty supervisor will be required to go to the location and verify the identity of the employee.
- e. The random selection process shall be by computer generated numbers for each sworn officer of the department. Such computer generated program shall be performed by an outside contractor hired by the Employer after consultation with the Union. The outside contractor shall be one that specializes in such functions.

- f. The outside contractor shall not select more than four (4) Sheriff's employees from the computer generated list per month for random drug testing.
- g. The dates for said tests shall also be chosen at random by the same outside contractor. To maintain the security of the selection process, the contractor shall deal only with the Sheriff or, in the Sheriff's absence, a designee for purposes of notifying the Sheriff of testing dates and individuals selected. The list of selected member(s) shall be provided to the Union after the testing dates for the affected member(s).
- h. On the same day the employee has been given notice for testing, the Union representative will also be notified that the employee has been selected. The Union representative shall insure only those employees originally selected were actually tested. The Sheriff or designee shall assist the Union representative in understanding any discrepancies.
- i. Immediately after being ordered, refusal to report for testing shall constitute insubordination and will result in the imposition of statutory and departmental rules, regulations and procedures concerning the imposition of discipline.
- j. An employee who tests positive after a random drug test shall be subject to the same conditions as those who test positive under "reasonable suspicion" drug test and shall be subject to discipline for any violations of Section 2.
- k. The random selection of a member will not result in the member's name being removed from any future selection process.
- l. If an officer is selected for a random test, but is unavailable due to extenuating circumstances, no disciplinary action will be taken (e.g., in court, on a surveillance, engaged in a police activity that the employee is participating in such as a drug raid, hostage situation, etc.). The test will be administered as soon as practicable after the employee is available.

## **Section 6. Tests to be Conducted**

In conducting the testing authorized by this Agreement, the Employer shall:

- a. use only a clinical laboratory or hospital facility that is licensed pursuant to the Illinois Clinical Laboratory Act that has or is capable of being accredited by the National Institute of Drug Abuse (NIDA) and Department of Transportation (DOT)
- b. select a laboratory or facility that conforms to all NIDA standards and DOT;
- c. establish a chain of custody procedure for both the sample collection and testing that will ensure the integrity of the identity of each sample and test result;

- d. collect a sufficient sample of the bodily fluid or material from an employee to allow for initial screening, a confirmatory test and a sufficient amount to be set aside reserved for later testing, if requested by the employee;
- e. collect samples in such a manner as to preserve the individual employee's right to privacy, ensure a high degree of security for the sample and its freedom from adulteration;
- f. confirm any sample that tests positive in the initial screening for drugs by re-testing the second portion of the same sample by gas chromatography mass spectrometry (GCMS) or an equivalent or better scientifically accurate and accepted method that provides quantitative data about the detected drug or drug metabolites;
- g. provide the tested employee with the opportunity to have an additional sample tested by a clinical laboratory or hospital facility of the employee's own choosing, at the employee's own expense; provided the employee notifies the Employer within seventy-two (72) hours of receiving the results of the tests;
- h. require that a laboratory or hospital facility report to the Employer that a blood or urine sample is positive only if both the initial screening and the confirmation tests are positive for a particular drug. The parties agree that should any information concerning such testing or the results thereof be obtained by the Employer inconsistent with the understandings expressed herein (e.g., billings for testing that reveal the nature or number of the tests administered), the Employer will not use such information in any manner or forum adverse to the employee's interest;
- i. require that with regard to drug testing, for the purpose of determining whether the employee is under the influence of drugs on a 5 panel drug test with test results higher than the following:

Amphetamines 1000ng/ml

Cocaine Metabolites 300ng/ml

Marijuana Metabolites 50ng/ml

Opiates 2000ng/ml

Phencyclidine 25ng/ml

those testing higher will be removed from safety sensitive positions.

- j. require that with regard to alcohol testing, for the purpose of determining whether the employee is under the influence of alcohol, test results showing an alcohol concentration of **.04** or more based upon the grams of alcohol per 100 milliliters of blood be considered positive (Note: the foregoing standard shall not preclude the Employer from attempt to show that test results between **.02 and .04** demonstrate that the employee was under the influence, but the Employer shall bear the burden

of proof in such cases); those testing .04 or higher, will be removed from safety sensitive positions.

- k. provide the employee tested with a copy of all information and reports received by the Employer in connection with the testing and the results;
- l. ensure that no employee is the subject of any adverse employment action except emergency temporary assignment or relief of duty during the pendency of any testing procedure. Any such emergency reassignment or relief from duty shall be immediately discontinued in the event of a negative test result.

#### **Section 7. Right to Contest.**

The Union or the employee, with or without the Union, shall have the right to file a grievance concerning any testing permitted by this Agreement, contesting the basis for the notice to submit to the tests, the right to test, the administration of the tests, significance and accuracy of the tests, the results or any other alleged violation of this Agreement. Such grievances shall be commenced at Step 2 of the Grievance Procedure. It is agreed that the parties in no way intend or have in any manner restricted, diminished or otherwise impaired any legal rights that employees may have with regard to such testing. Employees retain such rights as may exist and may pursue the same in their own discretion, with or without the assistance of the Union.

#### **Section 8. Voluntary Requests for Assistance and Discipline**

The Employer shall take no adverse employment action against any employee who voluntarily seeks treatment, counseling or other support for an alcohol or drug related problem, other than the Employer may require reassignment of the employee with pay if he is then unfit for duty in his current assignment. All such requests for assistance and/or referral to treatment shall remain confidential and any information received by the Employer concerning counseling, referral, and/or treatment shall not be used in any manner adverse to the employee's interest, except as described in this Agreement.

The foregoing is contingent upon:

- a. The alcohol or drug use at issue does not involve any illegal activity; and
- b. The employee agreeing to the appropriate treatment as determined by the physician(s) involved; and
- c. The employee discontinues his use of illegal drugs or abuse of alcohol; and
- d. The employee completes the course of treatment prescribed, including an "after-care" group for a period up to twenty-four (24) months; submits proof of completion; and
- e. The employee agrees to submit to random testing during hours of work during the period of "after-care."

Employees who do not agree to or who do not act in accordance with the foregoing, or test positive a second or subsequent time for the presence of illegal drugs or alcohol during hours of work shall be subject to discipline, up to and including discharge.

The foregoing shall not be construed as an obligation on the part of the Employer to retain an employee on active status throughout the period of rehabilitation if it is appropriately determined that the employee's current use of alcohol or drugs prevents such individual from performing his duties or whose continuance on active status would constitute a direct threat to the property or safety of others. Such employees shall use accumulated paid leave or take unpaid leave of absence, pending treatment.

**HEALTH PLAN FEATURES**

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE:** Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-295-0593 or at [www.bcbsil.com](http://www.bcbsil.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	For <u>In-Network</u> : \$750 Individual/\$2,250 Family For <u>Out-of-Network</u> : \$1,500 Individual/\$4,500 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your <u>deductible</u>?</b>	Yes. Certain <u>preventive care</u> , services that charge a <u>copay</u> , <u>prescription drugs</u> , and emergency room services are covered before you meet your <u>deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <u>deductibles</u> for specific services?</b>	Yes. \$300 <u>deductible</u> for <u>Out-of-Network</u> hospital admission. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	For <u>In-Network</u> : \$2,750 Individual/\$8,250 Family For <u>Out-of-Network</u> : \$5,500 Individual/\$14,250 Family <u>Prescription drug</u> expense limit: \$500 Individual/\$1,500 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.bcbsil.com">www.bcbsil.com</a> or call 1-800-295-0593 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a provider in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>referral</u> to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Important Questions	Answers	Why This Matters:
<b>What is the overall <u>deductible</u>?</b>	\$0	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
<b>Are there services covered before you meet your <u>deductible</u>?</b>	No.	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
<b>Are there other <u>deductibles</u> for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	\$1,500 Individual/\$3,000 Family <u>Prescription drug</u> expense limit: \$500 Individual/\$1,500 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. <b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a <u>Referral</u> to see a <u>specialist</u>?</b>	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>Referral</u> before you see the <u>specialist</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$0	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.

<b>What is the <u>out-of-pocket limit</u> for this <u>plan</u>?</b>	\$1,500 Individual/\$3,000 Family <u>Prescription drug</u> expense limit: \$500 Individual/\$1,500 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. <b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-892-2803 or at [www.bcbsil.com](http://www.bcbsil.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-855-756-4448 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$0	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.
Are there services covered before you meet your <u>deductible</u> ?	No.	You will have to meet the <u>deductible</u> before the <u>plan</u> pays for any services.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$1,500 Individual/\$3,000 Family Prescription drug expense limit: \$500 Individual/\$1,500 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>Referral</u> to see a <u>specialist</u> ?	Yes.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>Referral</u> before you see the <u>specialist</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-892-2803 or at [www.bcbsil.com](http://www.bcbsil.com). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call 1-855-756-4448 to request a copy.

<b>What is the overall deductible?</b>	\$0	See the Common Medical Events chart below for your costs for services this <u>plan</u> covers.

<b>What is not included in the <u>out-of-pocket limit</u>?</b>	<u>Premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
