CHOOSE A CAREER

FINISH HIGH SCHOOL

HIGH SCHOOL EQUIVALENCY

Attend classes to earn a high school equivalency certificate (also called a GED). Morning or afternoon classes will teach you all of the skills you need to pass the GED tests.

ONLINE LEARNING

Learn online. Software is available anywhere you have an Internet connection. It is competency based which means that you only do those lessons that you need to learn.

CAREER EXPLORATION

Work one-on-one with a Career Coach to explore career options and find ones that are right for you.

JOB SEARCH STRATEGIES

Learn how to use electronic sources and how to network to find potential job opportunities and apply for work. Receive job leads to help you find employment.

FREE

RESUME BUILDING

Work with a Career Coach to identify relevant skills and experience and create a resume that will represent who you are and what you can do.

INTERVIEWING

Practice how to prepare for and perform an effective job interview including doing mock interviews and receive feedback.

INDIVIDUAL TRAINING ACCOUNT

Start your career in a high-demand occupation and develop credentials that align with in-demand industry sectors.

PAID WORK EXPERIENCE

Participate in a planned, structured learning experience in a real work environment. Explore multiple careers and develop specific skills necessary for high-demand jobs.

FREE

SUPPORTIVE SERVICES AND COUNSELING

Assistance is also available to increase your academic and career success. This includes help with transportation or uniforms. We also provide referrals for child care, health care, housing, and learning differences, substance abuse issues, and mental health.

FINANCIAL LITERACY

Learn how to establish and maintain good credit and resolve credit problems. We will teach you how to budget and how to open a bank account.

LEADERSHIP DEVELOPMENT & ENTREPRENEURSHIP

Learn the difference between management and leadership and how to be an ethical and effective leader within an organization, regardless of your role.
