Subject: EX: Community Petition against Solar Proposal #4616

Dear County Board Member,

Please find the enclosed petition in opposition to the proposed Solar Petition #4616, that will be voted on at the December 12th County Board Meeting. The petitioners against the proposed Solar facility are all residents of Kaneville Township who reside in Pine Tree, Pine View, Meredith Road and Rt. 38. As you can see, there is an overwhelming dissent for the construction of the solar facility in our community. The solar facility would be .10 of a mile from our subdivision and also affects our neighbors on Meredith Road and Rt. 38. The proposal does not meet the The LaSalle Sinclair Factors A, B C and D and therefore, should not be approved.

Thank you,
Jeff and Arlene Goodrich
